Eastern Tour ... and Beach Outreach Update

We want **ALL** of you to know what a blessing you are to this ministry. Thank you for your support and prayers.

The Eastern Tour & Beach Outreach in May was a success. A total of 5 Chapter Presidents attended; 10 Area Leaders attended; and nearly 100 Chariots were represented throughout the tour time (May 16-20) and beach outreach (May 11-20). We had 23 salvations and countless lives were touched by the prayers and encouraging words from the Chariots reaching out to others. Many a prayer was prayed for different ones desiring a Chariot of Light to pray with

them for various requests including salvation, healing, baptism in the Holy Ghost, safety, loved ones salvation, reconciliation to Christ, closer walk with the Lord, financial needs, eyes enlightened, protection for children serving in the armed forces, and on and on. What a blessing to be a blessing!

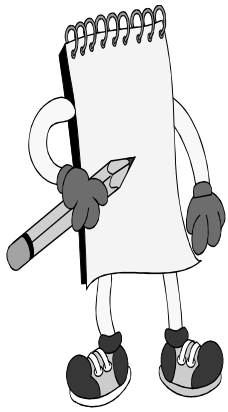

Dr. Savelle ministered to us on “increase”. Trust God and He will increase you more and more ! 2007 is the year for our greatest barriers to come crashing down and a flood of God’s presence to be all around.... our year for God’s goodness to be out-poured ! So expect it in your lives . . .

Are your DUES due ?

We began this year, 2007, with some changes. One of the changes for Chariots is the due date for annual dues. In the past, dues were paid in August of each year. Effective now, dues are due in January. This change means that you, as an existing up-to-date dues-paying member, receive four months of membership free (instead of paying your dues in August 2007 ... you will pay them in January 2008). Why not go ahead and mail your check early. The amount is still the same: \$50 annually.
