HELLO
CHARIOTS

I felt in my heart to write you of what I believe God is doing with Chariots of Light and to help activate you more and also the body of Christ. The Holy Spirit said there was an urgency for an emergency.

I believe the time is short and Jesus is coming back very soon. It is of utmost urgency that we share the gospel of Jesus with the world. People's lives and destinies are at stake. They are in a state of emergency. Lives need to be saved, healed, and set free. The more we get this inside of us, then the more freedom we can bring to others on a daily basis. Not just busy, but being fruitful doing the Father's business during our everyday business.

What happened in Sturgis in August 2011, and then recently in South Africa in February of 2019, I believe has confirmed what the Lord spoke to us about the 'Hand of God' for these last days and the ministry of Jesus to His people. I will try to share in short how God has been orchestrating this through this ministry ever since August 2011 in Sturgis.

In March of 2011 in Daytona we were believing for 500 souls into the kingdom. That year we superseded what we were believing from the Lord. 552 came to the Lord. Praise God! Before that time, we had led 242 people to the Lord in one event over ten days. But that same year we went to Sturgis for the first time in 2011. We set up our tent there. We had set a goal and were believing for 1,000 people to come to Christ. Our biggest goal yet. The Lord honored our request with 1,331 people coming to Christ. Praise be to Jesus!

Just as we had finished setting up our ministry tent in Sturgis in August of 2011 for the very first time, we decided to take a ride over the Black Hills since the event hadn't yet started. Right as we were to get on our bikes, we gathered to pray. The Spirit of the Lord said to me "The Hand of God"!

“
I HEARD GOD SAY,
"THE HAND OF
GOD"”

THE MINISTRY OF JESUS IS TAKING PLACE EVERYWHERE WE GO.

At that point, I didn't have a clue what it was for, but I spoke it out to the others. There were five of us there, and we all agreed in prayer that the Lord would use what He had spoken. "The Hand of God!"

As we were riding, I asked, "Jesus, what about the Hand of God?" He said. "when you give people your hand and they give you their hand, I will put my hand upon them." I searched scripture for confirmation and I started sharing this every day in our April 1, 2019 morning meetings and encouraged everyone to stretch forth their hands as we went forth. During that event in Sturgis in 2011 was the first time we reached 1000 people for Christ in a single event. After that, the Lord continued developing us in the Hand of the Lord as we continued to seek Him and go forth. He gave us basic and successful techniques to minister the gospel of Jesus to everyone no matter what their response was. We planted seeds, we watered, and harvested, many times all in one. We continue to minister healing to the broken hearted, we lay hands on the sick. The ministry of Jesus is taking place everywhere we go.

After receiving 'the Hand of God', our annual results began to double and multiply. ALL Glory to God! From 1,000 to 3,000, 5,000, 10,000, 20,000, 30,000, 50,000. And now since 2006, nearly 300,000 people have been ministered the gospel of Jesus Christ through the Hand of God by Chariots, and mostly since 2011. God is always good!

As you know we are believing for 1,000,000 souls by the end of 2020. Glory to God! We are believing for what in the natural may seem impossible. But in the supernatural, with our God, all things are possible. We're determined to continue working His ways to do the greater things Jesus said we would do.

This year in January at the KCM ministers conference, I went to the book and product area. As I was passing by the tables, I was at Billie Brim's table and a book caught my eye. It was called, "The Smith Wigglesworth Prophecy and the Greatest Revival of all time". I just want you all to know that I never buy a book unless the Holy Spirit tells me to, or sometimes someone will give me a book that the Holy Spirit wants me to read. So, I purchased the book as I was led by the Spirit without even looking in it.

“

WITH OUR GOD,
ALL THINGS ARE
POSSIBLE.

OUR GOAL IS TO MAKE EVERY DAY AN EVENT FOR JESUS EVERYWHERE WE GO.

I didn't begin reading it though until a couple of weeks later when Ginger and I began our travels to South Africa. As I read the book, I couldn't put it down. The pages were filled with the Holy Spirit confirming things in my spirit. I had no idea what God was getting ready to do. The book was about three men. Smith Wigglesworth, David Duplessis, and Tommy Hicks. The Lord spoke to my heart and said from one generation to the next generation to the next generation to the last generation. I believe we are that last generation.

Remember what I mentioned the Lord spoke to my heart in 2011 about the Hand of the Lord, and how He has continued to development this in us from His Word as we have continued to go forth in outreaches and everyday life? We've had many great events, but our goal is to make every day an event for Jesus. That we become a ministry of one; not many. The ministry of one - The ministry of Jesus. We're one body reaching out our hand every day to everybody. God Encounter Daily! Well, in this vision which is very long and of great detail, I want to just highlight the following parts. (But I encourage you to read it all later).

So when the Giant is awakening, there are liquid drops of light that continue to increase in the earth. (I believe Chariots is definitely one of those liquid drops to help ignite the many. Remember when Dr. Savelle talked to Brother Copeland and he told him that Chariots is being raised up as a unique end-time ministry?) Well, the vision of Tommy Hicks also states that when the giant, who we know is the body of Christ, stood up and reached forth His hand into the heavens and then lifted its other hand and as he continued to do so there was a great thunder that seemed to roar from the heavens. Suddenly he knew it was Jesus Himself.

Jesus stretched forth His hand. As He did so, He would stretch forth to one and to another, and to another, He stretched forth His hand upon the peoples and the nations of the world. He stretched forth His hand to this person and that person and a mighty anointing came upon them as they went forth in the name of the Lord. He was anointing thousands of people for this end-time ministry.

“

JESUS STRETCHED
FORTH HIS HAND

IT IS TIME FOR THE BODY TO BE ACTIVATED TO REACH EVERYBODY

Tommy Hicks said that this was the miracle of it. Those people would stretch forth their hand exactly as the Lord did and it seemed that there was this liquid fire that seemed to be in their hand. The more they did this, the more the anointing increased and it would not end. (As long as they would do this; the key is to continue). Now, understand that this was the very short version of this vision. But I believe with all my heart that this is why the Lord spoke the 'Hand of God' into my heart. That this is the purpose of the Chariots and the Hand of God. This is for the whole body of Christ. As we stretch forth our hands to the people and He would put His hand, His anointing upon us for them. This is the time of the double anointing that is being poured out upon God's people who will receive it.

I believe that's why we have seen the results we have seen and the double anointing coming on people who are stepping into the fields. Just like we experienced recently in Daytona where we ministered to over 10,000 people. Glory to God! A lot of the ones who came to help for a few days had never even shared the gospel before with the lost. What we saw and experienced has been amazing. The anointing coming on everyone who would stretch forth their hand and be used by Him. The vision again stated, everywhere they stretched forth their hands, people were saved and healed and the fire increased as they kept going forth through the earth. The greatest revival is the last revival.

I believe that it is time for the body to be activated to reach everybody. It's time for the body to proclaim the gospel of the kingdom to every creature.

Only God could set this up this way. There is no way I could have thought this up and it all happened the way it did. He is the orchestrator of the Kingdom in the earth. I believe God has given us His Word and His Hand and the plan for the million and the millions that will be coming to know Him. Isn't that exciting? YOU were destined for this!

So I ask you, "Will you preach this gospel of Jesus and take His kingdom to the earth? Share in your sphere of influence every day? Will you stretch forth your Hand? The Hand of God. The anointing of God is upon you. Jesus took Himself to the world. Will you? "

”

YOU WERE DESTINED
FOR THIS!
