HELLO

CHARIOTS

Summer is here and we are preparing for the upcoming Sturgis Rally in South Dakota the first of August. We pray that Jesus, who is the Lord of the harvest, will send you out to the harvest fields -(come on out to South Dakota with us), but still continue to go every day in the fields near you for life-changing experiences for you. And for you to be used like never before and to witness God's Glory in yours' and the lives of others. Hallelujah! In order to have an abundant harvest it will take an abundance of harvesters. Faith, believing, decreeing, and receiving.

It's time to make your plans to be with us. Along with our COL Sturgis Outreach, August 1 – 11, we have other upcoming COL events. Our annual PAL & Rally in Crowley, September 5th – 8th. Mark your calendars and register online and plan to attend our annual fun, festive, and full of faith and fellowship Chariots of Light meetings in Crowley TX with Jerry Savelle and Jesse Duplantis and a special surprise guest this year. Simply go to www.chariotsoflight.com/tours-events and check out all of our events.

After our PAL & Rally in Crowley, we plan to be in Arkansas at Bikes, Blues, & BBQ this year at the end of September. Our COL event dates conflicted last year so we're glad to be going back again for this one on the campus of the University of Arkansas. We always see a lot of young people come to the Lord!

Then our final COL tour this year will be in the Virginia mountains, October 23rd - 27th. This will be some beautiful scenic riding as we will be near the Blue Ridge Parkway as well as Skyline Drive! PLUS, great ministry with Dr. Savelle!! We'll be posting the information soon on the website for the hotels (by July 5th). Remember to register online and then make your hotel reservations ASAP, for it is a busy season in the mountains and the rooms will fill up fast.

WE DO OUR PART

GOD'S PART IS ALWAYS THE GREATER PART

And, of course, our final COL outreach of the year, we will be going to the Lone Star Rally in Galveston (October 31 – Nov 2). This is a great outreach for us and we expect a great turnout – both in laborers and the harvest!

Well, again, it's exciting to believe for the greater. Do you know anyone who is believing for the lesser? Just last week, while Ginger and I were praying, the word 'incline' resonated in our spirit. Do you know "incline" means to step up to a higher elevation, stepping away from horizontal? And yet other meanings: -to feel willing or favorably disposed toward an action, belief, or attitude. - to have a tendency to do something. It means you are likely to do something. You're leaning toward doing something, or doing it habitually. I know when we do our part, God's part is always the greater part. Selah. Think about that "incline our hearts to God" . Read this when Solomon prayed this prayer for God's people in I Kings 8 right after the completion of the temple:

⁵⁴ And it was so, that when Solomon had made an end of praying all this prayer and supplication unto the Lord, he arose from before the altar of the Lord, from kneeling on his knees with his hands spread up to heaven. ⁵⁵And he stood, and blessed all the congregation of Israel with a loud voice, saying, ⁵⁶ Blessed be the Lord, that hath given rest unto his people Israel, according to all that he promised: there hath not failed one word of all his good promise, which he promised by the hand of Moses his servant. ⁵⁷ The Lord our God be with us, as he was with our fathers: let him not leave us, nor forsake us: ⁵⁸ That he may incline our hearts unto him, to walk in all his ways, and to keep his commandments, and his statutes, and his judgments, which he commanded our fathers. ⁵⁹And let these my words, wherewith I have made supplication before the Lord, be nigh unto the Lord our God day and night, that he maintain the cause of his servant, and the cause of his people Israel at all times, as the matter shall require: ⁶⁰That all the people of the earth may know that the Lord is God, and that there is none else. ⁶¹Let your heart therefore be perfect with the Lord our God, to walk in his statutes, and to keep his commandments, as at this day.

“

I KINGS 8

FAITH IS LOOSED BY THE WORDS OF OUR MOUTH AGREEING WITH GOD AND HIS WORD AND THEN ACTING UPON IT.

Wow! "Incline our hearts to God"!

Let's step up higher ... step up to be willing to act and believe towards walking in His ways, keeping His commandments – [specifically – love the Lord thy God with all thine heart, with all thine soul and with all thy might and love thy neighbor as thyself] - not one word failing of all His good promise – why? So that all the people of the earth may know that the Lord is God!! (verse 60). Let's tell the world about Jesus and how He is the promised sent One for them – He will never leave us nor forsake us! Hallelujah!

You know I'm going to mention once again the 1,000,000 by 2020, right? Are you agreeing with us? Are you doing your part in this abundance of harvest? Faith is loosed by the words of our mouth agreeing with God and His Word and then acting upon it.

How many times did God raise up different people for impossible feats? How about when Moses who led the people out of Egypt to the Red Sea? They were finally free but Pharaoh's army was on their trail to stop them. It was always in God's plan to deliver them. They were following Moses after he had believed God and already done so many extraordinary feats believing God to deliver them, and still even reaching the Red Sea things continued to look dim for them. Then all of a sudden God did the impossible to make it possible for them to accomplish His will for them. Looks like to me, even when you get out of bondage you still have to keep on believing God to keep taking you through even when it looks like you're at the end and there is nowhere to go. All those people were free but the enemy was coming for them to kill them.

One man's believing God would set the course for His people to live in freedom. There were possibly 2 million men, women and children that were saved when God parted the Red Sea for them! Glory to God! I would say that was out of the ordinary and way beyond all-natural circumstances. There are still people today who don't believe this happened. God didn't tell Moses to part the sea, He told him to stretch forth his hand.

“

"LOVE THE LORD
THY GOD"

WE HAVE TO

STRETCH FORTH OUR HANDS

Exodus 14:21 (KJV) ²¹And Moses stretched out his hand over the sea; and the Lord caused the sea to go back by a strong east wind all that night, and made the sea dry land, and the waters were divided.

It was intended for them to walk across on dry land because God's mighty Hand was at work all night. It didn't happen at once. The Word says it happened all night. We have to stretch forth our hands and let God divide the water with His mighty hand of Holy Spirit. His hand is upon us. He has given us The Hand of God!

He spoke it in us in Sturgis 2011. "The Hand of God"! We have multiplied ever since. ALL Glory to God! Most of the time when we are walking things out by faith, we don't fully see and realize what God was and is doing until you've walked it out by acts of faith.

Just as Moses kept believing God to rescue those 2,000,000 people, we must keep believing for the 1,000,000 souls by 2020. God still opened the way across, but they had to take the steps to cross.

It's been spoken, now's the time for us to keep stretching out our hand so God can fulfill His purposes and plans for us, to save those million people to get them out of Egypt and into the promised land. I know we are going to have to go beyond the borders to save this many people. All walls that have kept us out have to come down. We are the Chariots of Light, but this is for the body of Christ. We need every man, woman and child and every vehicle and platform that God has given us to reach the world with the saving grace of the gospel of Jesus Christ!

It's not just when you wear your vest that will save them. It's believing God that He will use you every day for people to come your way and you be willing to share His love and goodness so they can experience God's best through you.

We already have had so many great reports of other ministries associated with Chariots who have taken the principles God has given with the Hand of God in training & discipling.

“

"HIS HAND IS UPON US"

WE HAVE RECEIVED REPORTS OF OVER 484,682 PEOPLE COMING INTO THE KINGDOM

We're excited to share with you this information as it encourages us all in what the Lord is doing *in, through, with, and for* Chariots of Light! We have received reports of over 484,682 people coming into the kingdom from our sources who have taught and caught what God has said. They are training and doing with the hand of God in everyday life and also mass crusades as well. These numbers come from reliable ministries and leaders who are affiliated with Chariots. Isn't that wonderful? ALL GLORY TO GOD! Marvels, wonders, and extraordinary manifestation of the greatness of our God – and we're expecting it! We're experiencing it and continuing to thank God for the million by 2020! Rejoice with us!

God is going to show Himself strong for those who will believe for the extreme; who will seek and do what God says do for His people to be saved! God gets all the Glory for every soul! Amen!! And He still chooses to use man as His voice to the world and use someone who is willing to be bold enough to stretch forth their hand to help save and rescue someone else.

Moses was an extreme believing man chosen to do the extraordinary for a God of the miraculous to manifest Himself to a people who needed to be saved from the enemy. Even the enemy saw what a believing man could do who believed and trusted a saving God!

God sent His Son to seek and save the lost. He did at all cost. He sent us to be His Sons, let's do it for the boss.

Please remember to pray the COL Prayer of Petition (attached to this Monthly Message) and then act upon what you pray. Stretching forth your hand to someone every day. God will part their sea. And we will have many more who will come to believe.

We love you and appreciate you. We look forward to hearing of all the great reports coming in from you and your God Encounters Daily! Incline your heart to HIM today!
