HELLO
EVERYBODY

Wow! It's June - summer is here. We had an amazing time with Dr. Savelle on the Oklahoma / Missouri COL Tour. 47 people on the tour and 14 states representing Chariots of Light (riders from the east coast and the west coast and the northern states to the southern states and in between!). Thanks to everyone who made it a great tour.

Every service during the tour with Dr. Savelle was awesome, as always. He continued to minister on 2019 the year of marvels, wonders, and the extraordinary manifestations of the greatness of our God! Also, living the life of faith. Thank you, sir, for your faithfulness to the call. You are a great example for us all.

Proven faith is real faith. We are all so privileged to be in the company of such great leaders and generals of faith. There are so many voices out there and I know God has many voices across the face of the earth to reach many people in many ways. I'm just so grateful where He has placed us in His body of believers. A solid foundation of proven faith. When all things and all else fails, we will be standing on the Word, the Word of Faith. God is His Word, and faith pleases Him. Believing God is believing His Word! Faith is what you believe is true. His Word is truth, so that's what we believe.

Well, we've extended our faith to the max. 1,000,000 souls by 2020. We have to go beyond our boundaries for this kind of harvest. This isn't too big for God. So, if we are believing God then it isn't too big for us.

I know some of you think this is too big, too much, too fast. Let me ask you this. Do you think God feels this way? I believe He is looking for a people who will dare to believe like this. The greater we believe what He said, the greater His blessings and favor abound in our lives.

PROVEN FAITH IS
REAL FAITH

HIS THOUGHTS ARE BIGGER THAN OURS

We have to believe, receive, decree, and decide this is the way it's going to be. God doesn't change His mind. He changes your mind. When we begin to reason then our faith begins to dwindle.

You can't have two different options when you're standing in faith. It's all or nothing. Little faith is small thinking, or reasoning it out that it can't be done. Like what were you thinking when you said that? Well, I don't think God would think that way. **His thoughts are higher than ours.** Thank God, let's get in agreement with Him!

What do you want? A little or a lot? Settle or the medal?
I'm not talking about performance. I'm talking about believing God and watching Him perform His Word. Seeking, standing, demanding what you believe will come to pass.

The Lord spoke to my heart and said there was an urgency and emergency. The word urgency means an importance for swift action. And emergency means something that requires immediate attention, action.

How do we accomplish such extreme goals?
Believe and give towards them. Give it to God and give Him all you got. He will give you the wisdom, strength, favor and blessing to get it done!

Extreme - the word extreme means reaching a high or the highest degree. Very great. Utmost, enormous, extraordinary.

That's right in line with what Dr. Savelle has stated about 2019. "The year of marvels, wonders, and extraordinary manifestations of the greatness of our God". Brother Copeland said **"The Year of Abundant Harvest"**. If it's been said through our prophets why haven't we grasped these words for the way God desires for us to think and act? It wasn't said for us to feel good. It was said for us to do good! Jesus went about everyday doing good. Acts 10:38 amp. How God anointed Jesus with the Holy Ghost and with great power: and He went around doing good and healing all that were oppressed of the devil; for God was with him.

"THE YEAR OF
ABUNDANT HARVEST"

GOD CALLS THE TEAM IN THE STREAM WITH A DREAM, FLOWING WITH HIM AS YOU GO WITH GREAT POWER

Everything we do in and for the Kingdom is surrounded around us reaching a lost and hurting world.

Philippians 2:15

What's it going to take for us to share our faith with someone we don't know? How will they know unless you tell them?

Romans 10-14

I believe if we stick to the plan God has for us, then He will change plans for us. He will begin to make things happen for us that will enable us to accomplish all He has for us.

I'm not backing down from the million.

You can't just 'look' at it; you have to 'see' it.

I believe God's desire is for us to believe this way. Extreme.

You are Chariots of Light leaders and members and it's time to believe the extraordinary; decree, receive, and release your faith to what we might call the extreme. God calls the team in the stream with a dream, flowing with Him as you go with great power as in Acts 10:38 (KJV) states:

How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; Jesus went about doing good, with great power, He gave them a hand. The 'Hand of God'. We have Jesus and extreme power and the Hand of God is upon us to change who people are to becoming a star for Jesus; shining for Him! Let's do this. We've been given time to take care of eternity!

As mentioned last month, here is another helpful hint to be a witness every day for your GED (God encounter daily).

As you are out and about today: And you see someone who's not feeling well or not moving well. Just ask them with a smile, extending your hand asking their name, hey how are you, are you okay? what happened to you? They will tell you. Then there is your opportunity to share the goodness of Jesus with them. Tell them you are a minister of the gospel and how much God loves them that you believe that you were sent to them because He wanted them to know He was thinking about them and He wanted them to know how much He loves them.

REMEMBER TO PRAY, SOW AND GROW

Give them the Word concerning healing; a scripture such as ...

Mark 16:18 (KJV). *They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.*

Jesus said that believers would lay hands on the sick and they would recover. And share with them that you are going to pray for healing in their body. Then ask them if they know Jesus. If they say yes, then say awesome, He's your savior and your healer. The Word says He sent His word and healed them.

Psalms 107-20 (KJV) *He sent his word, and healed them, and delivered them from their destructions.* Then pray, "Jesus you are the Word now heal them in your name Jesus.

If they say they don't have Jesus in their heart yet. Just tell them. He's the one who just healed you. Now say this with me. Jesus come into my heart and be the Lord of my life. Thank you for loving me, thanks for forgiving me. Thank you for coming into my life for the rest of my life. Use me now Jesus for all you have for me to do. Thank you for saving my life. I know I'll be in heaven because I have You in my heart."

Just do this and see what Jesus is going to do!
We love you! Remember to pray, go and to sow!

We are planning our next Awesome Outreach in Sturgis South Dakota, August 1 – August 11. Of course, there will be setup time before and tear down time after (for those who can help with that too). Remember to register online <http://www.chariotsoflight.com/tour-registration-form/> and make plans to attend. You will change lives again, again and again!

Sturgis will be another great event for the Team together, but remember that every day is a great event for you to share Jesus.
Today is the day of salvation.

Thank you for your commitment and dedication to help others. It's what we do. We have a passion for God and a passion for souls.
