HELLO

CHARIOTS
OF LIGHT

Thank you for your passion for purpose. Chariots of Light have a passion and a purpose to fulfill. It's the first thing Dr. Savelle always says about us. We have a passion for God and a passion for souls.

What do we think the word passion means? It could be defined as a strong love; desire for a relationship. Passion is one of the three key ingredients for a relationship. After all that's what God created us for, to have a relationship with Him. The other key ingredients for relationship are intimacy and commitment.

Intimacy is a feeling of closeness, connected, and covenant.

Commitment is being dedicated to the cause or purpose; devoted, faithful, loyal, actively involved. I believe that describes us, Chariots of Light, "to a T".

Let's go back to the word passionate. Another definition is determination. Passion is a strong desire that can cause you to do amazing things. Passion is an emotion that is acted upon. Passion is the fuel in the fire. When you have a passion for something, you will love it. If things aren't going exactly as you've planned, passion will always help you in carrying out the plan.

Passion is what Christ has done for us. We are to have the passion of Christ for others. Christ's passion was so intense He died to live. We must also die to ourselves daily to live for Christ. He died for us so that we might live like Him. When we make the choice to die daily to our ways, we can live to be more like Jesus every day. It's when our passion is to follow Jesus that our ministry becomes the ministry of Jesus.

Jesus's passion can be seen by His love for the Father to suffer and die for us; crucified by death of a natural life. Then He was raised again to a supernatural life. Eternity has now become our standard.

JEFF'S TESTIMONY A GLORY STORY

His passion was always to bring new life. A life of eternity sealed by The Father's forgiveness and love. This is our passion to do the works of Jesus for a hurting and lost world; to offer life – new life in Christ!

This past weekend in Laughlin, Nevada, our amazing COL Team ministered to over 4500 people with 3295 making a decision for the Lord. Praise Jesus! We not only saw lives touched and changed, but our lives were touched and changed.

One man that I personally had the privilege to pray with on Thursday in Laughlin was named Jeff. I found out on Friday by his Catholic priest, Father Charlie, (who came back by the tent to tell me this) that I was the last person to pray with Jeff. He passed a few hours after I had prayed with him. God always knows when the end will come. He wants to make sure that we have a new beginning. To have the passion of Christ is to know we can have an opportunity to bring life into people's lives even though they may be getting ready to die. We can have the privilege of bringing them a new and eternal life.

This is for everyone; to share your passion of Christ to others every day so people can live because of Christ's passion and compassion for us. He wants to forgive us and love us. This was the theme the Holy Spirit gave us this past week at Laughlin. To love and forgive.

Psalm 86:5 (NLT) "O Lord, you are so good, so ready to forgive, so full of unfailing love for all who ask for your help."

Let your passion turn into Jesus's compassion for love and forgiveness. Ask Jesus and the Holy Spirit to use you and to bring someone across your path today or lead you to someone today. How about every day?! Just tell them that God sent you to them and He wants them to know how much He loves them. Tell them how much Jesus loves them and how much they are forgiven no matter what has happened. Nothing can stop the love of God and His forgiveness. Love never fails. It's who He is; it's the ministry of Jesus.

4500 MINISTERED TO
3295 SALVATIONS

THANK YOU FOR LOVING ME, FORGIVING ME AND USING ME.

Then ask them this, “if something were to happen at any time, today, or 10 or 20 years from now. We don’t know when the time will end, but it will, do you know *for sure* if you would go to heaven?” If they say anything other than Jesus, tell them, “the Word says this: *‘That God so loved the world that He gave His Son, and whoever believes in Him will not perish but have eternal life.’ John 3:16 .*

For everyone who calls on the name of the Lord will be saved. Romans 10:13

Then you tell them – “that’s all you have to do to get to heaven. Say this prayer with me: Jesus, I call on your name, come into my heart and be the Lord of my life. Thank you for loving me, thank you for forgiving me. And thank you for using me. I know now for sure I’m going to heaven because I have Jesus in my heart.”

Then ask them if they felt that. When they say yes, then you tell them that that’s the proof that Jesus is alive and He loves you and forgave you because He just came into your heart and He has a great plan for your life. Seek Him every day and He will show you His ways. Start by reading the Bible. You will always find Him in His Word. Start in the gospels to see what Jesus did. Encourage them to download the Bible app on their phone and spend the first part of their day seeking Him for direction each day.

The above is just a helpful hint to encourage you to be used and have an encounter today with God and someone else. Make every day an event for Jesus and the Holy Spirit. Just start doing one thing and God will give you more things.

Purpose to use this helpful hint in sharing the gospel of Jesus every day in the marketplace. I’ll have more helpful hints to remind you next month. Let’s plan together to passionately seek Him and others for Him to lead them into His kingdom. Amen.

JESUS STRETCHED
FORTH HIS HAND

KNOW HIM & MAKE HIM KNOWN

Please remember to report of your daily encounters. We are believing with you that God will use you every day to minister Jesus to someone who has lost their way. Are you the one who can take them there? Are you the one who has been given the right directions who can direct people to the Kingdom of heaven? Yes – you are! It's not the magic kingdom. It's the Eternal Kingdom of Heaven!

Let's passionately pursue this purpose: Know HIM and make HIM known!

We love and appreciate you!
