HELLO CHARIOTS

Hello everyone, it's time, it's time, it's time. We have been preparing and as you are reading this, we are in STURGIS South Dakota for the outreach and outpouring of the Holy Spirit. There's been many days of planning and preparing. And now the time has come. Jesus has released the laborers into the fields for His glory. We are in great anticipation.

Anticipation means excitement; waiting eagerly for something that you know is going to happen. It's about to come into fullness. We want to thank everyone who sowed in any form, especially your prayers for the preparation of the harvest. This is a defining moment for us as believers to come together for the purpose of Christ being shared and His manifested presence to touch many lives. I just wanted to give our gratitude to Dr. Savelle and the ministry of JSMI. So very grateful for the messenger that allows us all to take forth Jesus' message to the world. All the Chariots of Light Chapters who helped send others to be a part of this greater corporate anointing. Everyone who heard the call to pray; to Go; and to sow. Everyone and everything is a vital act and a major part.

I believe we are in the time of that corporate anointing. Corporate can be defined as a large company or group; a culture of living where you are associated with a certain community striving for the same goals.

To be successful in your company you have to cultivate relationships. Focused on the task at hand but drawing on others gifting and talents to succeed. There are many parts but one body. Many corporations have a theme. As you know, ours is "passion for God; passion for souls; passion for motorcycles".

God is always the source of our passion. The people have always been the purpose of our passion. And the motorcycle has always been the platform for our passion.

Passion will bring you together for great events. Passion is defined as a strong feeling or desire. What Jesus went through for us has been described as passion. He gave everything for everyone and the belief of what God had instilled into him.

“
GOD IS ALWAYS THE
SOURCE OF OUR
PASSION

THE MINISTRY OF JESUS IS TAKING PLACE EVERYWHERE WE GO.

Passion can be what we do every day for the purpose of God being manifested in our lives and those around us. #Encounter365.

But there is also a corporate passion where we all focus on one thing. It's time for us all to use every platform to reach every person. Our passion is to "follow Jesus" and our platform is, as Jesus said, to be "fishers of men"! (Matt. 4:19 and Mark 1:17)

How did Jesus show us His passion? Let's look in the gospel of John.

John 1 - He showed us His Love and expression of God. John 2 - He was a provider for the wedding. John 3 - He told Nicodemus about the kingdom realm and the new birth and life. John 4 - He talks about thirst and the living water. John 5 - He heals a man who never seemed to have anyone help him. Jesus healed with the stirring of his words instead of the water.

John 6 - Jesus multiplies the food because of his compassion to feed the hungry. John 7 - Jesus at the feast sets the standard of why He's here. Not to teach His own truth but the One who sent Him. John 8 - Jesus told us about sin and stones. Leave them alone. John 9 - Jesus heals a man who has never seen and caused the light to come into his eyes to shine.

John 10 - Jesus is the gatekeeper who is kind and opens the door to let people in. John 11 - He raised the dead. John 12 - He is anointed with precious valuable gifts. John 13 - Jesus washes and cleans our feet so we could share this life with Him to others we meet. John 14 - He comforts us. John 15 - He is our living vine. John 16 - He warns us. John 17 - Jesus finishes the work. John 18 - He's back in the garden.

John 19 - He is beaten. John 20 - The tomb couldn't hold him. John 21 - Jesus appears at the lake to show us how to fish. He feeds them, restores fellowship, showed them it was going to take passion to follow him; to take care of His sheep. He said that you must keep on following me. It says His works could not be contained. That's why He left us here - that He would remain.

It's is time for us to have the passion and do the works of Jesus. Our passion is to CONTINUE TO "follow Jesus" and our work is to go fishing (not clean them), but to pull them in for HIM! (Matthew 4:19)

“

PASSION CAN BE
WHAT WE DO EVERY
DAY

IT IS TIME FOR THE BODY TO BE ACTIVATED TO REACH EVERYBODY

Are you ready? We have great expectations together with you. That who Jesus is would be manifested through you to the world like never before and help turn them from darkness to His life-giving light!

John 8:12 KJV

¹² Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life.

We thank God for you and your passion! We're shining brighter, loving stronger, and pulling in bigger loads of fish - together! Glory! We love you!
