PASSION FOR **GOD** | PASSION FOR **SOULS** | PASSION FOR MOTORCYCLES

EVERY MEMBER A **SOUL WINNER** | EVERY MEMBER A **SEED SOWER**

HELLO
CHARIOTS

You know when the Lord puts a vision inside of you, He always gives you direction as how to move forward with what you see in the vision. The vision is the purpose of God. The plan is how you fulfill the purpose. A lot of the things He speaks to us in the vision at first is already there to fulfill the plan of action to complete each vision. Vision sees and vision grows. As long as you see it in your heart, keep pursuing it, making it plain, walking toward it, then you will complete it. Never forget what He first gives you. It is the tool you'll always use to do the work He has for you. One of those first things he gave us with Chariots of Light was the GED-God Encounter Daily. The encounter always comes from your relationship with the Father. How awesome as sons & daughters of God we can follow in our Father's footsteps; going to new heights, the greater things! The whole purpose of being a disciple is to emulate the person and character of your father. Jesus stated that about His relationship.

***John 5:19-20 The Passion Translation (TPT)** 19 So Jesus said, "I speak to you timeless truth. The Son is not able to do anything from himself or through my own initiative. I only do the works that I see the Father doing, for the Son does the same works as his Father. 20 "Because the Father loves his Son so much, he always reveals to me everything that he is about to do. And you will all be amazed when he shows me even greater works than what you've seen so far!*

The millions will come to Christ through the progression of our salvation through every day being the day of salvation for you and those around you. Our work is to always allow Holy Spirit to work within us, upon us, overflowing out of us. When we discipline ourselves to stay in tune with Holy Spirit every day wherever we may be; we can encounter God's goodness all around us. He's always moving. He would prefer if we would be in that state of readiness all the time. If you're always expecting, you will encounter the marvelous presence in many, many ways. Every day and everything has a purpose.

“
JOHN 5:19-20

AND THEN HE TOLD THEM,

“GO INTO ALL THE WORLD AND PREACH...”

His The purpose for #Encounter365 is to be a follower of Jesus. To know you are loved and are forgiven from all past and present sin and wrong by you or others in your life. To purpose to be a pursuer of God in everyday life with a purpose of practicing your faith in God’s Word and growing in wisdom and knowledge of who Jesus is. To be able to engage in an empowering and trusting relationship with Holy Spirit to allow Him to work Jesus through you. To activate your purpose with a passionate heart to allow Holy Spirit to manifest Himself in your everyday life. Believing that once you decide to step out and share Jesus with God’s love to others, the supernatural will become a natural way of life for you. It’s faith in action that enables and encourages your desire to see these kingdom operations and encounters in the everyday marketplace life. A desire that is manifested by sharing Jesus will become a lifestyle to pursue every day. It will be in the most unexpected venues where His number one desire becomes yours. Saving, healing, and bringing freedom to the lost people He loves so much. The message of grace, love and power that forgives will bring you into real life encounters of seeing people’s lives changed for eternity.

Some might say, “What if I fall short one day? What if I can’t meet the demand? What if I say the wrong thing, what if I act the wrong way?” Well, first of all, it’s not a demand, it’s a love command.

Mark 16:15 (NLT) 15 And then he told them, “Go into all the world and preach the Good News to everyone.

The goodness is that Jesus paid it all for our names to be in His book. The good news is we can’t mess it up this time. All we have to do is believe, receive, and be grateful that He believes in you! Then release what He’s given you, His love, forgiveness, and His Word - Jesus. It’s not for us to become pressured or for us to perform. It should always be a pleasure for you to see someone be reformed.

We have been given the opportunity to be His representatives. It’s having your heart set on these things that will give you the mindset to share God’s words of goodness to a hurting and dying world who’s in conflict on the inside and on the outside.

“

MARK 16:15

WE'VE BEEN REDEEMED

AND MADE RIGHT...

It is Philippians 2:15 -16. That's who we are.

Philippians 2:15-16 (NKJV) *15 that you may become blameless and harmless, children of God without fault in the midst of a crooked and perverse generation, among whom you shine as lights in the world, 16 holding fast the word of life, ...*

It's what we should be doing as believers. We've been redeemed and made right in the Father's eyes. You can't fall short when you have a passion and a purpose to accomplish the things Jesus told us as His followers, as His disciples to do. It's not if you can't live up to the standards of doing this. Jesus already set the standards for us and lived as our example for everyone to be able to do what He already did. We just have to stand up and be a doer and one who will say what He's already said. It's about what He already did for us.

There is no failure in a victory. That's the good news. It is done, the victory has been won by Jesus. Hallelujah! He's always there to show us His unconditional love that can change any circumstance in one brief encounter. So let's challenge ourselves, our faith, and set our heart to do our part and share the gospel of Christ where ever we may be each and every day. It can come at the most unexpected time if you will expect it to happen at any time.

Acts 26:18 (KJV) *To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.*

These encounters will become the greatest of times. Just look for those #encounters365, every day, to help bring light and life to every venture and venue; darkness will have to flee where ever you will be, He will be there with you!

May you experience God's supernatural increase in your life in 2020 like you've never experienced before and be blessed to be a blessing to others every day to share His goodness.
