

## APRIL 2021 - CHARIOTS OF LIGHT MONTHLY MESSAGE

CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”  
PASSION FOR GOD - PASSION FOR SOULS - PASSION FOR MOTORCYCLES  
EVERY MEMBER A SOULWINNER - EVERY MEMBER A SEEDSOWER

Hello Chariots,

We finished up our COL Outreach in Florida at the Daytona 80th Bike Rally. God is so good and we had an awesome time once again. Thank you to all those who came, and all those who were there who made everything work so smooth. What an amazing time to grow in the Word & Spirit together. We were ignited and activated, honored and humbled to be a part and see many precious lives who were touched. Yes, 8,558 people ministered to, 4,203 decisions for Christ, 123 filled with the Holy Spirit, and 229 healings took place. All Glory to God! The team experienced His presence, power, & His goodness.

One of the greatest ways we can experience His glory comes from the times we assemble together. ‘Assemble’ means a people who gather in one place for a common purpose; fitting together separate parts to align them to work as one unit. Our desire is to experience God’s presence so others can experience His life-giving message. When our lives experience His life, our life is changed. When this change comes on the inside of us; we are enabled to bring the same change to those around us. Freely we receive; we freely give.

We again say a big thank you very much to all those who served, who sent, who sowed, and who showed up. Everyone and everything made the difference; every joint supplying. The commitment we see from those involved every day to passionately go out and seek those who need a touch from heaven is precious. People sowed finances, their time, their

homes, their vacations, their lives to come and be used to help make a difference in someone else's life. The harvest is ripe and we thank God for all the skillful laborers.

Every COL event we've ever had has its own special character given us from the Holy Spirit. As we continue to be led by the Spirit, He helps develop us in wisdom and knowledge to be a greater witness of whom Jesus is. He gives the theme and the focus at that particular time and we're all in for God's plan and purpose to be accomplished. Each time has its own special characteristics. It seems every time there are so many first times experienced. Don't let your gauge of success just be that you saw a greater number than before. Success always comes from hearing and obeying the Word of The Lord.

God is always teaching and preparing us for the greater things to come. Every one of these times are precious. We are learning new insights, ideas, and concepts of who Jesus is and sharing Him more effectively! We will never have these special times and opportunities again. Each time marks our eternal destiny for us and those around us, as well as those ministered to. We are seizing the time and seeing the available opportunities that God puts before us. We are invited to participate and be a part of these once in a lifetime events. He said to occupy, that means to live there and take advantage of the places we've been given at that time.

So so much the Holy Spirit has taught us and we still have so so much to learn. Amen? We just have to stay tuned and consumed with the heartbeat of God! His heart beat is always for the reconciliation of man back to His original plan. True fellowship is renewing and restoring our lives to that intimate fellowship and relationship with The Father. When we are intimate, we are on the inside. Insiders just know more; therefore, they

have access to do more. And with more, they can enable others to know Him more.

You know - our number one calling for us all is to know Him more. The more intimate our relationship, the clearer His plans become. The time we spend with Him brings more direction from Him.

#### Philippians 3:7-16 The Passion Translation

<sup>7</sup> Yet all of the accomplishments that I once took credit for, I've now forsaken them and I regard it all as nothing compared to the delight of experiencing Jesus Christ as my Lord! <sup>8</sup> To truly know him meant letting go of everything from my past and throwing all my boasting on the garbage heap. It's all like a pile of manure to me now, so that I may be enriched in the reality of knowing Jesus Christ and embrace him as Lord in all of his greatness. <sup>9</sup> My passion is to be consumed with him and not cling to my own "righteousness" based in keeping the written Law. My only "righteousness" will be his, based on the faithfulness of Jesus Christ—the very righteousness that comes from God. <sup>10</sup> And I continually long to know the wonders of Jesus and to experience the overflowing power of his resurrection working in me. I will be one with him in his sufferings and become like him in his death. <sup>11</sup> Only then will I be able to experience complete oneness with him in his resurrection from the realm of death. <sup>12</sup> I admit that I haven't yet acquired the absolute fullness that I'm pursuing, but I run with passion *into his abundance* so that I may reach the purpose for which Christ Jesus laid hold of me to make me his own. <sup>13</sup> I don't depend on my own strength to accomplish this; <sup>[a]</sup> however I do have one compelling focus: I forget all of the past as I fasten my heart to the future instead. <sup>14</sup> I run straight for the divine invitation of reaching the heavenly goal and gaining the victory-prize through the anointing of Jesus. <sup>15</sup> So let all who are fully mature have this same passion, and if anyone is not yet gripped by these desires, <sup>[b]</sup> God will reveal it to them. <sup>16</sup> And let us all advance together to reach this victory-prize, following one path with one passion.

We should never measure our lives by anyone else or anything other than Christ. We've been given the measure of faith. We are measured equal with Him, aligned by Him that allows us to become like Him. We are invited with a personal invitation. When we accept all that He has accomplished for us, it will enable us. It's not what we do, but what He

has invited us to. We are his invited guest; He is our host. Jesus and the Holy Ghost!

In. Verse 10 again –

<sup>10</sup> And I continually long to know the wonders of Jesus and to experience the overflowing power of his resurrection working in me.

Instead of seeking signs and wonders - our calling, our purpose is to know Him more. The more we know Him, and wonder of Him and what He did and has done and wanting to do, then the wonders of Him will bring signs from Him. The power of His words brings life to those who receive his invitation to intimacy with Him; whether it's the first time or to get back aligned with him.

Let me briefly share with you our theme during this special time in Daytona.

“The call to intimacy and real and true disciples”.

The word ‘real’ simply means not fake, not an imitation, not artificial but genuine; not imagined but fully existing; it is what it appears to be. It is a known fact. It is the truth. And the truth is what we should pursue. Of course, the real truth is Jesus. The more we pursue Him the more we will know the real truth, in all things.

The word ‘true’ means - to align up with the determined purpose of a required position. As a disciple we aren't to get in line get in front of the line but to be aligned with Jesus. The required position is the position He places us in. It's not a requirement of what we have to do. It's a place that has been purchased, a place for us to occupy and rest in Him. The position requires us to live in a place that's been prepared by Him.

The reality is that the more we pursue Him, truth, the more passionate and compassionate we will become for the lost and hurting world around us.

When our relationship burns for Him, our heart turns for others. When we encounter Him, we'll have encounters every day. #encounter365.

We'll experience intimate relationship with God: real - true - active and alive. Let's meditate on that until next time ...

We love you and thank God for our relationship connection together. May the Lord bless you abundantly and increase you more and more.
