

JUNE 2021 - CHARIOTS OF LIGHT MONTHLY MESSAGE

**CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”
PASSION FOR GOD - PASSION FOR SOULS - PASSION FOR MOTORCYCLES
EVERY MEMBER A SOULWINNER - EVERY MEMBER A SEEDSOWER**

Hello everyone,

June is here; it's summer time again and that means more time with Chariots on the road. Our first tour of the year is this month. The California tour with Dr. Savelle starts in Ventura on June 22 – 27, and ends in Sacramento. What a great ride it's going to be along the #1, the famous California Coastal Highway. Ginger and I are excited to be staying over the next week through July 4th ministering with our California Chariots. Then it's back to Texas and prepare for our next tour in Missouri & Arkansas on July 23rd – 25th, a three-day weekend tour with Dr. Savelle. You can see all the detailed information to join us at chariotsoflight.com. We're looking forward to seeing many of you soon!

Later in August, it's on to South Dakota for the 81st Black Hills Rally (Sturgis), August 5-14. I'm believing this is going to be one of the greatest outreaches we've ever experienced. I'm anticipating the anointing, presence and power of God to be released as never before. Expect with us as we know the Lord has great plans in this abundant overflow year!

You know, people are showing up in record numbers at events. The harvest is white and ripe for the harvesters. So come and join us for this memorable event. Your life will never be the same. All these events are so special and unique. It is a once-in-a-lifetime opportunity; never to be replicated or duplicated.

I heard a dear friend say this just the other day: “The shortest part of our lives is on the earth.” So let's take advantage of every opportunity to tell

people about Jesus. Jesus – who saves, heals, sets free and delivers those from captivity. He IS the answer to all life's victory!

John 14:6-7 The Passion Translation ⁶ Jesus explained, "I am the Way, I am the Truth, and I am the Life. No one comes next to the Father except through union with me. To know me is to know my Father too. ⁷ And from now on you will realize that you have seen him and experienced him."

We all know that our number one purpose is always to know Him more. So knowing Him more gives us more truth to freely give to others and help them see the truth. It is His truth that sets people free.

John 8:31-32 The Passion Translation ³¹ Jesus said to those Jews who believed in him, "When you continue to embrace all that I teach, you prove that you are my true followers. ³² For if you embrace the truth, it will release true freedom into your lives."

The word embrace means to hold closely. When you embrace, you accept. When belief comes for a new change, you willingly and enthusiastically take hold in a new way. This is what truth will do in your life as you give others the Word of truth of who He is. We embrace; we take hold of that truth, then we take action with that truth by sharing it with others in love.

There will always be a price to pay for truth. If you have the truth, you have to tell someone of it. We don't seem to be lacking in the truth and revelation. We are lacking in the application of the truth! We have to release the revelation God has given us so others who don't know Him can receive a fresh revelation of who He is. We have so much access to revelation, but it's useless unless it has application!

God gives us access to His truth which allows us to fulfill His purpose for our lives and to give others purpose for their new life. God gives us access to revelation and gives us purpose to fulfill it!

As believers, we won't be judged for what we have done. Think about it! We will be judged for what we have been called to do.

Let's first: Seek Him. Then: seek them, (the lost). Tell them how to find Him! We've all been called to the harvest, no one left out or left behind. It's all about the harvest. It always been plentiful and it's always been white. It's time for the harvest!

Only you and God will know if you are doing what He called you to do. If you don't know what He's called you to do, His Word tells us to tell them — tell the lost about him. Be my witness. Let's look in Matthew.

Matthew 28:19-20. Before Jesus departed to His heavenly throne to take His position as Lord and Christ, He spent a final time with His eleven disciples. The last command that He gave them was this: "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age"

If these are the last words that Jesus gave His disciples, don't you think they are important? Jesus commands us to tell others about Him. But you might say, "Why me? Aren't there others more equipped to do that? I am not a preacher, I don't know what to say." Well, first and foremost, we should tell others about Him because this is His command. Yet Jesus not only commanded us to tell others about Him but He promised to give us power to do it.

Acts 1:8, "But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."

The atmosphere you are in will be replicated in the atmosphere you create for others. That's what you will be remembered by. The atmosphere you bring to those around you. Your atmosphere is your influence. This is how people will know what type of person you are. They will remember your attitude, your words, and how you presented them. They will remember your 'atmosphere'.

Atmosphere will influence those around you! They will remember that.

Webster defines atmosphere as a surrounding influence or environment. An example given is: an atmosphere of peace. One minister said, "People do not always understand what you say, but they can feel what you have."

Psalm 40:10 ESV I have not hidden your deliverance within my heart; I have spoken of your faithfulness and your salvation; I have not concealed your steadfast love and your faithfulness ...

How do you want to be remembered? Are you a memorable person? What will you be remembered for? Let's press in to use our power of influence to bring people to Jesus. I believe that would be the answer God is looking for.

We love you and thank God for you!
