

SEPTEMBER 2021 - CHARIOTS OF LIGHT MONTHLY MESSAGE

**CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – "SHINE AS LIGHTS"
PASSION FOR GOD - PASSION FOR SOULS - PASSION FOR MOTORCYCLES
EVERY MEMBER A SOULWINNER - EVERY MEMBER A SEEDSOWER**

Hello Everyone,

What an awesome August the Chariots of Light experienced! We had a time at the COL outreach in the Black Hills of South Dakota with 11,667 people ministered to with 5,568 people receiving Christ as their personal Savior. 98 filled with the Holy Spirit and 168 healings. Thank you, Team! We give ALL Glory to God!

The presence and power of the Holy Spirit was in tangible evidence upon our meetings and our team. As we went out each day, people were actually coming to us and there were ones coming back to us sharing their testimony because of the tangible encounters that we were having with the Holy Spirit. Hallelujah!

As the body of Christ, we have to realize the importance of where we are right now, not what's going on in the world or what is coming, but what God has made available to us and for us that's already here. When our faith is activated, heaven's will and purpose is released to us and others all around us.

This year's COL Outreach was our 10th year in the Black Hills for the rally and the Lord spoke to my heart that this year would be a culmination of all the previous nine years put together. What He originally spoke to us ten years ago, forever changed this ministry and started supernatural increase for us. I believe it's the double anointing of the last days for the harvest in these end times. This was in evidence in our meetings with a

move of the Holy Spirit that will have a long and lasting effect on our team of believers.

The word culmination defined is the highest or climactic point of something, especially as attained after a long time. To reach the highest or a climatic point. A crowning point - the highest point of success. It doesn't necessarily mean the end. It is a place you have been brought to so you are ready to soar; to take off; to go higher!

In that first year in the Black Hills is when the Lord spoke to us about the Hand of God which totally changed this ministry and our results of success. Praise God!

In our meetings together, we emphasize the importance of unity and the power of love. The oneness which only comes through fellowship with the Father. It's the importance of that relationship that allows real ministry to take place, and not religious views of do's and don't's .

There have been so many things the Lord has confirmed each and every year to us about why we (Chariots) were birthed as an end-time ministry. We have been continually growing to the places, to reach the climatic point for the greatest harvest of all. This last harvest!

We should constantly and consistently remind and renew ourselves of what God has done. And then to walk in those things He has shown us and given us. Allowing Him to continually grow us in the things that were a focal point of change in our lives and the ministry He has called us to.

Our motives and purpose should be of one thing. The harvest is and should be the focal point of the Church. When our focus is the harvest then the fruit will be in abundance.

When we first started in the fields, we were learning to reap. Now God has blessed us with continued revelation knowledge of how we harvest causing continual increase in our success in the harvest. God is so good.

The word "GO" actually means a continuous action.

When we continue, it's what He has said we will grow in being more like Him; knowing more of who He is. Not taking the things He's said as mechanical or methods, but as miraculous and unlimited power from our Father in heaven.

Go and be Holy Spirit led.

After our COL Outreach in the Black Hills, we made our way for the COL Montana Tour with Dr. Savelle. Beautiful riding and experiencing God's wonders throughout the majestic mountains and scenery in Montana and Yellowstone Park. And, of course, encounters along the way sharing Jesus with others.

In the church services with Dr. Savelle, He ministered for us to expand our expectations. I want to share with you four major things the Lord has spoken to him this year:

- 1 - Tell the people to expect abundant overflow
- 2 – Expect A year of unprecedented outpouring of the goodness of God
- 3 – Expect A year of firsts
- 4 – Expect to begin to experience a new level.

Remember to continually confess the favor of God in all you do and you will experience His favor every day in many ways. Keep your expectations high and your joy full. And you will have an abundant overflow for you and those around you everywhere every day.

September 16-19, will be our annual COL PAL & Rally in Crowley at HFCC. Our PAL (leaders) will be together Thursday night and Friday morning. Then ALL CHARIOTS for the rest of the weekend with plans for lunch together on Saturday. You don't want to miss this one. Jerry Savelle and Jesse Duplantis will be ministering all weekend. I believe you will catch the vision like you have never seen before and that you will see it as God sees it.

October 6 – 10, mark your calendars for our last COL tour of the year in Kentucky. It's our first time riding on a COL Tour in the Bluegrass State. We will visit many places including the ARK encounter and are expecting anointed, life-changing services and awesome fellowship together as we ride on for Jesus! Sharing the Good News and shining our lights all along the way.

Philippians 2:15 KJV – That ye may be blameless and harmless, the sons of God without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world;

AMPC – That you may show yourselves to be blameless and guileless innocent and uncontaminated, children of God without blemish (faultless unrebukable) in the midst of a crooked and wicked generation [spiritually perverted and perverse], among whom you are seen as bright lights (stars or beacons shining out clearly) in the [dark] world,

Come join us! We love you and look forward to seeing you soon.

Blessings, honor and favor!

~Brother Bill & Ginger
