CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”
PASSION FOR GOD - PASSION FOR SOULS - PASSION FOR MOTORCYCLES
EVERY MEMBER A SOULWINNER - EVERY MEMBER A SEEDSOWER

Hello Chariots,

We pray the Merriest Christmas for you! What a wonderful year it's been and as we're wrapping up 2021, and I want to remind you that God's Hand is upon you.

John the Baptist said the Kingdom of Heaven is at hand. That means it's here and nearby you.

Matthew 3:2 KJV And saying, Repent ye: for the kingdom of heaven is at hand.

Matthew 3:2 TPT “Heaven's kingdom is about to appear—so you'd better keep turning away from ^{head}evil and turn back to God!”

Matthew 3:2-3 The Message ... John, called ‘the Baptizer,’ was preaching in the desert country of Judea. His message was simple and austere, like his desert surroundings. “Change your life. God's kingdom is here.” John and his message were authorized by Isaiah's prophecy: Thunder in the desert! Prepare for God's arrival! Make the road smooth and straight!

As I was reading these scriptures, three words kept coming up in my spirit. For easy remembrance, I'll call them the three R's. 1. ‘Renewing’ of the mind, 2. ‘Revival’ in the heart, and 3. ‘Reconciliation’ of man.

What would you say is the biggest lack in the body of Christ today?

I would suggest that the biggest lack we, as a whole in the family of God, is the renewing of our minds. The world's kingdom is full of distractions and many other opportunities that will continually pull us away from the things

of God. But when we are renewed each day, our focus will be God's kingdom at hand. Then we'll take opportunities to give God glory.

Ephesians 5:15-16 TPT So be very careful how you live, not being like those with no understanding, but live honorably with true wisdom, for we are living in evil times. Take full advantage of every day as you spend your life for his purposes.

Romans 12:2 AMPC Do not be conformed to this world (this age), [fashioned after and adapted to its external, superficial customs], but be transformed (changed) by the [entire] renewal of your mind [by its new ideals and its new attitude], so that you may prove [for yourselves] what is the good and acceptable and perfect will of God, even the thing which is good and acceptable and perfect [in His sight for you].

When you renew your mind, it allows you to receive and to retain God's thoughts. Keeping His will and plans fresh and active in your mind will then direct your heart. (Proverbs 3:6 states that when we acknowledge Him in all our ways – He directs us). When we keep our minds renewed, we are revived to do the will of The Father for our lives.

It could actually be called revival. Revival is simply to revive what was once alive; to bring back to life. It seems at times that we are looking for revival and wondering where is the next one going to start. Where will be the next wave of the Holy Spirit? Are we looking for the ways of past revivals to start again? Are we looking for it instead of doing what we need to do to experience it?

Let's continue on and think about 'new' and 'renew' and 'revival'.

When something is new, you can't wait to have it, see it, feel it, and experience it. You want to find out everything about it. Like a kid with a new toy, you have fun with it, carry it around with you everywhere you go. You're excited to play with it, use it. Your imagination goes to new levels and you see and experience new things in a way you haven't before.

I believe that renewing will bring revival in your life. An interesting example of this might be Dr. Savelle's new motorcycle. It is a 2021 Harley Davidson Revival. It is a brand new motorcycle, but the Revival bike concept was brought back to life from an earlier version of a Harley Davidson 1969 classic. However, the new 2021 model is loaded with premium technology and powered by a faster and more efficient engine. So, it's the same concept but a greater plan; a renewing. God's greater plan will take what was old and make it better than before. That is what the renewing of our minds to the Word of God will do. It will increase your faith to a place of activating God's greater plan. Activation from the heart of God to your heart and then along to others; we can't wait to impart.

Proverbs 20:27 KJV The spirit of man is the candle of the LORD, searching all the inward parts of the belly.

Our fires (keeping our candle lit) must continually burn with the fire of renewal to create revival. Our bellies must hunger and thirst for the things of God continually. He promises to fill us.

According to the vision shared years ago by Tommy Hicks about the sleeping giant; he states that the giant stood up and shook all the things off of himself from the world that were weighing him down. Then, Mr. Hicks stated that he saw many fires that began all over the world. It was the individual candles burning. It wasn't in just one place but in many different places all over the world. Revival comes from a clean, hungry heart. Each individual can have revival in their lives and when they do, it can spread like fire to those around.

The last "R" word that I want to expound on is reconciliation. It derives from the root meaning: 'again'. The renewing of the mind creates a clean heart allowing a fire to burn and be revived. Reconciliation is the ministry we all have been given from The Father through Jesus.

2 Corinthians 5:18 TPT And God has made all things new, and reconciled us to himself, and given us the ministry of reconciling others to God.

Think about that, God has reconciled US, each of us, we are the sons of God! And we ALL have been given this ministry. We are a part of God's greater plan to show people the goodness of God and introduce to them a wonderful and loving Savior who has restored us back to a renewed state and a new relationship with God! Hallelujah!

The word 'reconcile' means to restore friendly relations between two people into agreement as to one view. That view is that God has restored us to oneness with Him through Jesus Christ. The Spirit of a man is what is saved and made new and our job, our privilege, is to let others know that they can live throughout all eternity when they receive Jesus. They receive the blessing of salvation by asking Jesus into their hearts. This is the requirement for the salvation of a man's spirit. God sealed our salvation to take care of our spirit and it's done by asking Jesus to come into our lives to be the Lord of our lives. The renewing of our minds will create in us a clean heart and a fresh soul and a new way of life that is pleasing to God. And this 'newness of life' in us allows us to help others to see and understand as we share the love and goodness of God with them. The revival in our hearts can spark revival in others' hearts. This is the ministry of reconciliation and how it works.

Renew - Revival – Reconciliation. Can you see how they are and, in that order, can become one and the same? Our job is three dimensional, like the Father, Son, Holy Spirit. Each plays different parts but are one and the same. The Holy Spirit is our advocate to Jesus, Jesus is our advocate to the Father. Renewing of the mind is our advocate to Revival, Revival is our advocate to the Reconciliation of man back to God!

Another part of the vision of Tommy Hicks, was when he stated that he saw the heavens open up and the Lord Jesus himself stretched forth his hand to this one, and this one, and this one and another one – it was like liquid drops of light to each one. Revival is in every believer. What can ONE do with the Spirit of Revival inside of him?

Well, listen to this. Pastor Scott Kickover from Montana sent me a text the next morning after participating in our Chariots Zoom call the night

before. He wanted to share a new phrase stirring in his spirit from meditating on what we shared during the meeting. Here it is:

“It’s not about what God is doing in the world and how that impacts me. But it’s what God is doing in Me and how that impacts the world.”

Remember, the fire will spread from every lit candle! And YOU are the candle of the Lord! You are the impact – the light – to others.

I believe this message of the 3 R’s will burn in your hearts and create a stronger desire to minister to others from a renewed heart of revival and bringing reconciliation to others. Let our hearts burn within us to share this renewed passion with at least one person a day for the remainder of the year especially during this special gift-giving holiday season.

Will you take this opportunity and have the mindset to do this and take advantage of each opportunity when they arise each day? It can become a lifestyle of revival and unending opportunities until King Jesus returns for us all.

We love and appreciate each of you and look forward to exciting new experiences for us all in the year of the open hand of God in 2022.
