CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”

Hello Chariots and Friends,

HAPPY NEW YEAR!

We're so excited to begin 2023, The Year of the Maximum – Highest Level Attainable. This word from the Lord to Dr. Savelle is important for us and more important that you take hold of it and expect it in your lives.

Every day is a gift to give Jesus to the world around you. Let's remember to be faithful with our ministering to others and reporting these results monthly. Those who have been faithful to report is why we have the most wonderful results of over 1/2 million people who have received Christ and over 750,000 ministered to. ALL Glory to God! Your faithfulness to continue experiencing those God encounters and to notify us will cause maximum rejoicing together as we expect many more to come into the kingdom.

OK. So it's planning time, right? Let's plan together for Daytona outreach in March. California 25th Anniversary Tour in May, Sturgis in August, and our first ever Harvest Vegas in October. Rod Run COL weekend in Pigeon Forge in September and still more local events to do as well. So go ahead and make your plans and reservations now. We are posting online the hotels for the events as they are confirmed. Don't hesitate, special rates given for COL will expire before the event date.

As Ginger and I were praying, the Lord spoke to Ginger about a resurgence was coming in 2023. We are believing for this in Chariots and the church, and in your personal lives as well. One way to describe resurgence – an increase that exceeds the standard flow.

One of the best ways I know for a resurgence is by forgetting those things that are behind and surge forward. Get rid of the distractions and start your momentum back into the forward position. Remember His faithfulness. Recapture what God has done and make it more exciting and more successful. Making old into new again. Renew is resurgence! More members, more fellowship, more people coming into the kingdom!

Your passion moves God into action. It's the Year of The Maximum – Hallelujah!

We want to share some Chariots' passion stories with you starting this month. Perhaps you have a story to share from one of more of your encounters.

Here is a shared testimony that we've received from Michael York ("Bama"), in Alabama.

For many years I have said; "I am a Chariot of Light." This past year when I returned from the Trail of Tears COL Tour in May, I was "fired up"...again, much like every time when I returned from an outreach or tour. This time was different though. This time I made up my mind. If our number 1 is to have a Passion for God, and number 2 is to have a Passion for Souls. (Let's face it...You can't have a "real" passion for God without the number 2 "kicking in.").

I returned home from the tour and said, "If I am a Chariot of Light, not just when I ride, not just when I wear the patch, why can't I do this when I am home?" I won't go into all the excuses that I tried to use. But every one of them just came back to fear, or not really trusting that God's Word would really work.

I determined I was going to minister to everyone that sat in my barber chair. First, I would pray the "PPD's". (Meaning, we pray God's Plan, Purpose and Destiny in their lives). Which in turn always leads to more discussion about Jesus, spiritual things, or church, which in turn gives me the opportunity to follow the leading of Holy Spirit and share The Gospel or minister. We have witnessed salvations, several miracles, and the moving of The Hand of God since we started. "It wasn't hard, it is just a decision." So many times, our Father God is waiting for us to determine we are going to be His witness in the everyday places and not just at the outreaches and tours when we are wearing our colors or riding together.

Thank you, Bama. We so appreciate your sharing with us about being a witness wherever you are. So true, the importance of making a decision to do so. Our salvation began with making a decision to receive Jesus Christ as our Lord and Saviour. And now we get to share with others to make a decision that changes lives for eternity.

Grateful to God for each of you. We believe He sent you to this company of Chariots for purpose and for such a time as this. Resurgence – an increase in vigor and vitality. Let's keep riding together – shining our lights brighter and brighter – for Jesus!
