## CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”

### **Hello Chariots,**

Here we GO again, Praise the King! We are on the road to the 25th anniversary COL Tour with Dr. Savelle in California. What a blessing it will be to share together this special and memorable time. We'll be traveling from the east coast to the west coast with the Holy Ghost. We are excited and celebrating all the Lord is doing. We just returned from Kentucky and had great meetings there with Pastor Jack Shoup & Pastor Scott Patton. We are so blessed to be able to help others step into the calling of us all. Our number one call is to know Him more, then more will follow. Seek first the King, then He will add everything!

We've noticed how God's people are awakening and on fire for more of Him. He's looking for a people who are all in. The anointing is increasing everywhere we go. We see it happening with those who will seek Him and are hungry and thirsty for more of Him.

The one thing we are all after is His anointing on our lives. The anointing is what destroys the yokes in people's lives.

**Isaiah 10:27 KJV** And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the anointing.

When the anointing is present, God is present. He speaks His anointed utterances in people who are sold out for Him; His voice, His presence, and His power. Every day we should ask him for His utterances. What He has to say will always bring light, insight, and life!

**Psalms 119:130 KJV** The entrance of thy words giveth light; it giveth understanding unto the simple.

**Psalms 119:130 AMPC** Break open your Word within me until revelation-light shines out! Those with open hearts are given insight into your plans.

**Ephesians 6: 19 AMPC** And [pray] also for me, that [freedom of] utterance may be given me, that I may open my mouth to proclaim boldly the mystery of the good news (the Gospel)

Utterance can be defined as saying or expressing something aloud; a vocal expression; a spoken word, making an expression, a divine statement; an important message from God to a person or group of people!

**Luke 4:18-19 AMPC** The Spirit of the Lord [is] upon Me, because He has anointed Me [the Anointed One, the Messiah] to preach the good news (the Gospel) to the poor; He has sent Me to announce release to the captives and recovery of sight to the blind, to send forth as delivered those who are oppressed [who are downtrodden, bruised, crushed, and broken down by calamity], To proclaim the accepted and acceptable year of the Lord [the day when salvation and the free favors of God profusely abound].

Jesus, the Anointed One, uttered the Word; the good news; the Gospel. So we could say that His ways were through anointed utterances. His anointed utterances through us are the number one way God chooses to use us to reach the world. We speak and share the Good News, the Gospel of Jesus Christ!

There are other methods or ways to share the Gospel, but seemingly God's number one method is for us to speak. The spoken Word of God is powerful. When God speaks, He creates. I call it the last part of our faith. It is the application of faith. There are many ways to apply your faith, but it's important to apply your faith by saying! Proclaiming God's word propels Him into action for you and others who you are applying His words to. God hastens to perform His Word. He watches over it to perform it.

He said He's always with us, abiding in us. We are His dwelling place. He wants to use us. God will use a man who will tell His story, then He'll manifest His glory! And the Holy Spirit is the master of divine influence and anointed utterances. The Kingdom of heaven is within you. He abides in you! If you meditate just on this it should change the way you think, the way you talk and the way you walk!

We are anointed by Him. And that's a special privilege we have been given. So let's freely give what we've freely been given. Go and tell them, compel them. Let's do this - together.

Testimony Time...

*Brother Bill and Sister Ginger,*

*I'm excited and looking forward to seeing you in California and our time together.*

*Friday was my day off and I had an audiology appointment at the VA. I was contacted ahead of time wanting to know if I would do a stem cell treatment for a couple, but being my day off and on the road it would be challenging.*

*I asked how far away the couple were and was told it was an hour and a half from my office. Since they live between the VA and my office I asked if I could do a house call for them.*

*When I arrived I was ushered in to the kitchen where the Bible was on the table along with communion cups. This told me I was in the right place for sure. She is dark and had thick accent and he is white like me.*

*I found out she is Nigerian and when she lived there, Dr Savelle ministered in her town and she heard him then. They are so in love with Jesus and the time with them was a total blessing with time for prayer, fellowship, and treatment. Now I need to get them to the office for follow-up. God continues to bless me with GEDs everywhere I go. I wanted to share this with you. Looking forward to being able to tell Dr Savelle about this meeting. It's a very small world and God is connecting us all together in these end times.*

*Blessings to the both of you. You are truly letting God's light shine through you.*

*I love you both.*

*Dr John*
