CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”

## Hello Chariots,

As you all know by now, our founder and father in the faith, Dr. Jerry Savelle, is now rejoicing in heaven as there is fullness of joy in the presence of the Lord!

He was our founder, our mentor, excellent example, our father in the faith, and most of all, our friend. He was one of the most generous, genuine, loving, and giving people that I've ever met. Everyone has a special story of their encounter with him. Dr. Savelle has and will continue to hold a special place in all our hearts.

Someone asked me, who will take his place?

There isn't any one person who could possibly take his place.

But it will be all those who have been eternally impacted by this man and his faith in Jesus. It will be all those who have been eternally connected and impacted and in covenant with his ministry.

I remember when Ginger and I became financial partners with Jerry Savelle Ministries International 40 years ago, then became a part of Chariots 23 years ago. Then we became the Director of Chariots 18 years ago. I remember when I told Dr. Savelle that we were eternally connected and that meant forever. I remember that I could see a spark in his reaction. I know many have said things to him like that and even to you as well. It's your faithfulness and determination that decides the difference.

We have to continue and stay the course to finish the course. Now is the time to step up and receive the torch that has been passed to us.

It's time to let our sounds of joy be heard again. There are many who have gone on ahead of us. We can make sure that we stay connected with them by connecting others to the kingdom. All of heaven rejoices when someone is introduced to Jesus.

Dr. Savelle has done an excellent work on the earth and left a lasting legacy. Praise The Lord! Let's continue the course together and expect the greater works to manifest. Now is the time of full maturity, growing up, by going out. Maturing into the fullness that God intended for us all to accomplish.

Yes, Dr. Savelle founded Chariots of Light. And we're all thankful that he did.

Dr. Savelle was the foundation of this ministry, and now it's up to us to continue and not to quit. He taught us to be winners and to not give up. It's time to unite together as never before.

When Dr. Savelle founded Chariots, he went to Brother Copeland, and Brother Copeland told him that he believed that Chariots would be a unique, end-time ministry. Well, an end-time ministry should last until the end of time.

We've had many great men and women to go on and be with the Lord as you all know. But we're still here, so let's unite and purpose to bring the increase in every area by continuously reaching out to this hurting, dying and lost generation.

It is vital to any ministry, any organization to establish and re-establish relationships and fellowship. That's why we have the tours. Yes, they will undoubtedly not be the same without Dr. Savelle. But now, we'll continue to build on what he has given us. There may be another voice, but the same anointing will increase through our union with him and each other.

The privilege of the past was great, but now we have to focus on the advancement of our future. Dr. Savelle even mentioned this in his last Sunday morning service in San Diego CA. He shared that he had a wonderful past, God had been so very good to him, but that he can't live on his past.

As we continue on, focusing on The Lord, we will see promotion, and our highest expectations being fulfilled.

The vision is clear, it's plain and meant for us to run the race that is set before us.

**Proverbs 29-18 “Where there is no vision, the people perish.”**

Think about it. A person who doesn't see, the vision is blind to them.

Vision is inspired through the words of life and inspiration of Holy Spirit. We hear them, see them, and then we run with them. We are founded on scripture, enlightened by the Holy Spirit.

As you know, the founding scripture that the Lord gave Dr. Savelle to base this ministry is Philippians 2:15.

**Philippians 2:15 NLT So that no one can criticize you. Live clean, innocent, lives as children of God, shining like bright lights in a world full of crooked and perverse people.**

**Philippians 2:15-16 TPT For then you will be seen as innocent, faultless, and pure children of God, even though you live in the midst of a brutal and perverse culture. For you will appear among them as shining lights, in the universe, holding out the words of eternal life.**

It is stated here that our work is to be shining lights to this world. Our words are reaching people of the earth introducing them to the universe of His Kingdom! The basis of this scripture tells us what we have been created

to do as a ministry of believers who are corporately connected.

No one can take Dr. Savelle's place. Instead, let's keep advancing and progressing. Everyone who is divinely connected together can become greater to finish the work and run the race and the course that God has put before us. One day our course here will be finished. We don't know that day or time. But we do know that it is truly short. When you compare our time here on earth with eternity, we only have a couple of hours here to determine how we are going to spend eternity.

Dr. Savelle was a winner, who never quit. His ministry shared about being winners in life and about winning people to Christ. And Chariots will continue to advance toward winning everyone that we can for the glory of the kingdom of God.

That is what Chariots of Light have been. Passion for God and passion for souls. That is what Chariots of Light has become. With our passion for God and for others, we've become the winners for the kingdom, that never quit.

Who will win the last one for the King? The answer is WE will. Everyone becomes one. Where we all have purpose, our destiny will be fulfilled. It's what we do! It's what we do! ❤️❤️

It's time to advance, progress, and experience promotion so we can see God's greatest expectations for us to be fulfilled.

Look again at Philippians 2, extending to verses 16-18.

**Philippians 2:16-18 TPT Hold firmly to the word of life, then, on the day of Christ return, I will be proud that I did not run my race in vain and that my work was not useless. But I will rejoice even if I lose my life, pouring it out like a liquid offering to God, just like your faithful service is an offering to God. And I want all of you to share that joy, yes you should rejoice, and I will share your joy!**

Yes, we will walk in the words of life that Dr. Savelle spoke over us. We will walk by faith. Faith in the Word that he imparted into us. He not only lived by faith, but He also died in faith, doing what he loved to do.

And now it's time that we carry the torch of light he has passed on to us. The greater works begin when we all become united in one heart for the advancement and progression of God's kingdom. Dr. Savelle poured out his life as a liquid light offering. And now we will continue our offering to God in our faithful service. Together we will march forward in service to the kingdom. When our joy on earth becomes rejoicing in heaven.

**Luke 15:7 KJV Jesus continued, "I say unto you, that likewise, joy shall be in heaven over one sinner that repenteth..."**

Knowing that all of heaven rejoices when people receive the kingdom in their lives by receiving Jesus as their Lord and savior! Now we all can share in the joy of the kingdom together. It's what we do!

So, as Dr. Savelle preached to us in his most recent sermon, we must:

1. STAY IN FAITH
2. REMAIN FOCUSED on the promises of God
3. DON'T ALLOW DISTRACTIONS of anything going on in the world

Ginger and I love you and pray for you and continue to declare over you that this mandate, our COL Vision, will continue to advance and progress among us.

**We have a passion for God and a passion for souls.  
Every member a soulwinner; every member a seedsower.**
