

# Chariots of Light Monthly Message

CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”

## Hello Chariots,

What a time we had in Montana, the tour participants were over 34 with 10 states representing plus two other countries, Canada and South Africa!

A shout out to our Montana President, Scott and Michelle Kiecover for their hospitality and help in planning the tour as well as guiding us through the beautiful and interesting areas that we visited while in Montana.

Our ministry in the Churches and to others along the way was over the top!

God keeps confirming His Word with signs following. The ministry of Jesus is here. Praise The Lord!

Similar to last month's message that you received while we were in Montana, this month's message is coming while we are in South Dakota at the Black Hills Rally (Sturgis) Outreach. This is going to be a year over and beyond; our greatest expectations being fulfilled. Pray and agree with us!

I believe as you are reading this, we are experiencing and seeing the glory of God being manifested in the byways of the Black Hills! Just as Jesus went from place to place the Kingdom was being manifested, so will we experience His kingdom manifested as we're trusting God to GO.

It's time to engage your plan of action.

The doers will see the glory of the Lord.

The doubters will only experience the confusion and chaos of this world.

Serving two kingdoms will always bring division. There is only one kingdom that brings provision.

Stay in Faith, Stay Focused, and don't let the distractions of this world affect your next level. While listening again to Dr. Savelle's last message, I recalled that one of the first things he said is that we are headed for the best days of our life.

Everything is building, (advancing and progressing). God is doing something and let's believe that we are right in the middle of it.

Dr. Savelle shared during that same message, specific encounters he had with several people through the years. Once, a man handed him a book written by Lester Sumerall, *Run With The Vision*. He read the book and right after he did, he got a phone call from Lester Sumerall asking him to be at his church service on that next Sunday. Something he learned about Lester Sumerall was you never told him “no.” Lester Sumerall always said, “What could be more important than being with me?”

Dr. Savelle elaborated on his knowledge of Lester Sumrall. He shared that Lester Sumerall stated that when he accepted the call to preach was that God told him that he could either preach or die. Lester later prayed to God, “Don’t ever do anything on the earth while I’m alive that you don’t include me.”

Brother Jerry began praying that too. Then he took it a step further, “May I be the reason, God, that you’re doing it.”

We should expect God’s Word to follow us.

**Mark 16:17-18 KJV** And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues, they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

A couple other encounters, Dr. Savelle shared about being a part of the Jesus Revolution in California with Dave Malkin. They were in Pismo Beach and baptizing hundreds in the Pacific Ocean who had professed Jesus! He talked about the moves of God that Brother Jack Moore talked about. He spent a lot of time talking with Jack. Jack told him you’re the hungriest young man I’ve ever met.

Finally, he shared about how Oral Roberts had heard him preaching on a broadcast and called, requesting him to come to his office. When he got to Oral’s office, Oral stated how that he had been wanting to meet him.

Dr. Savelle told Oral about never getting to see his tent crusades. Brother Roberts told him about his archives and allowed him to go and view them anytime he wanted. He said, “how about right now?” Each crusade lasted 2 to 2 ½ hours, and then prayer for the sick after the preaching was another 2 to 2 ½ hours longer. Dr. Savelle watched them, beginning to end. Oral said, “you really are one hungry young man, aren’t you”? Brother Jerry said, “Yes, I am”! He spent all day watching those films. He finally was able to acquire them and go home with tapes. Later, Dr. Savelle got those crusades downloaded to take with him everywhere he went on his iPod device. Dr. Savelle never lost his hunger for God and hunger for God’s Word. The most passionate thing in his life was the Word of God! As it changed his life, it enabled him to change and affect many lives around the world.

Are we hungry? Where do we find true nourishment?

**Jeremiah 15:16 TPT** When you speak to me, I devour every word. Your word brings me such boundless joy. The endless delight of my heart is in knowing that your beautiful name is attached to me...

**John 4:31-38 TPT** Then the disciples began to insist that Jesus eat some of the food they brought back

with them, saying, “Teacher, you must eat something.” But Jesus told them, “I have eaten a meal you don’t know about.” Puzzled by this, the disciples began to discuss it among themselves, “Did someone already bring him food?” To clarify, Jesus spoke up and said, “My food is to do the will of him who sent me and bring it to completion.” As the crowds emerged from the village, Jesus said to his disciples, “Why would you say, ‘The harvest is another four months away’? Look at all the people coming—now is harvest time! Their hearts are like vast fields of ripened grain—ready for a harvest. Everyone who reaps these souls for eternal life will receive a reward. Both those who plant spiritual seeds and those who reap the spiritual harvest will celebrate together with great joy! And this confirms the saying, ‘One sows the seed and another reaps the harvest.’ I have sent you out to harvest a field that you haven’t planted, where many others have labored long and hard before you. And now you are privileged to profit from their labors and reap the harvest.”

Dr. Savelle and many others have planted seeds all over the world that have yet to be harvested. We get to help bring in what remains of the harvest.

You have to be hungry for a harvest.  
The harvest is what people are hungry for!

The harvest is the final result from a seed!

We celebrate the outcome of a seed. It grew, it changed size, position, bursting through the soil, with beautiful foliage, producing the final results— the harvest – the fruit!  
Come taste and see the glory of the Lord is upon you.

**Psalm 34:8-10 TPT Drink deeply of the pleasures of this God. Experience for yourself the joyous mercies he gives to all who turn to hide themselves in him. Worship in awe and wonder, all you who’ve been made holy! For all who fear him will feast with plenty. Even the strong and the wealthy grow weak and hungry, but those who passionately pursue the Lord will never lack any good thing.**

Hunger will propel you to another level.

The greater the hunger, the larger the number of people will be set free.  
And it begins with everyday life – reaching one, then another one.

Thank you for being a part of this assignment God has given us all to accomplish. It’s going to take everyone reaching one. Stay engaged to make a difference in someone’s life every day.

We are looking forward to all the plans God has in store for the Chariots of Light. Millions and millions coming to Christ. Start proclaiming this with us and being a doer of God’s Word – together!

We are looking forward to seeing you and hearing from you. Send in your testimonies as you are experiencing God’s glory in your everyday lives.

Whether you’re on the road, just stay in His mode  
and bring his glory to the land for every man!

You'll hear more about our Black Hills Outreach in next month's message. I know it will be astounding! Continue your prayers for us as your support makes such a difference. We pray you're advancing, progressing, and experiencing promotion. We appreciate and love you all.

His glory is here for the earth to see,  
His goodness and love for everybody.

**P.S.**

We'll have our next ZOOM meeting, Monday, August 12th. It's so easy to join with us. We look forward to sharing together soon.
