CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”

Hello Chariots,

We've made it to Montana for the tour! By the time you are reading this, the tour will be concluded. We are expecting over 30 participants from different parts of the USA, Canada, and South Africa. We are excited and expectant of what the Lord has planned for us all.

We are going to greater levels, experiencing increase in the anointing and presence of God. Just on our trip out to Montana, we had divine encounters at different stops. Some encounters were just having a meal and fellowship with friends and sharing God's goodness of moving forward with the mandate God has given us. Other encounters were ministry along the way at fuel stops.

One such God-encounter was in Missouri where we stopped at a place we never had before to get fuel. I was approached by a man asking about our truck and trailer. He had seen Chariots of Light information on the trailer. He said he and his wife were pastors and that they loved Dr. Savelle. In fact, they had just heard him minister the first of April in Branson, Missouri. The pastor and his wife were there, at that particular time, because they had received a call to their church from a man who was traveling in a camper and needed help. The pastor and his wife came, from an hour away, to that man's rescue and filled his tank up with fuel. It was at that fuel stop, that they noticed our trailer and walked over. Well, glory, we had church in the parking lot! They had words of encouragement for us. And the Holy Spirit had words for them on what they were believing for their church and community. It was such a divine appointment that the Pastor contacted us the next day to ask us to come back through for a meal and fellowship together. We are looking forward to that time and to see what God is going to do for the future.

Another encounter was stopping in Buffalo, Wyoming to get fuel. A young man, at the next pump over, started engaging in conversation about the smell of the brakes on the truck, and that conversation then opened the door to begin to minister to him and his being touched by the Holy Spirit. God's presence was very tangible for us both. I began to see a change in his countenance and he started to weep. I told him that we had driven two thousand miles just to meet him at the pumps. Well God filled him up with His glory and gave him hope for his future. He was so grateful and kept saying how thankful he was that God had not forgotten him. He couldn't wait to call his wife. A heaviness had lifted off him, and his joy and hope were restored.

This may seem minor, but I can promise you there will be major things that will come from these encounters. Another encounter was with one lady, after we had arrived in Montana, who worked behind the registration desk. I noticed after the first day that she was having difficulty walking. So there was an opportune moment while she was sitting down to go over and talk with her. The Lord touched her and healed her and she began crying and was certainly blessed.

Never take for granted where you stop and the people whom you will engage with along the way. There will be life-changing moments from the Father on the road. Jesus said to go into all the world and tell them about this new kingdom way of life.

Mark 16:15 MSG – Then he said, “Go into all the world. Go everywhere and announce the Message of God’s good news to one and all.”

There are many stops along the way. Restaurants, restrooms, gas-filling stations, hotels, stores. They all are times of rest and refueling, but the most important part of that stop is when the One you know, Who is on the inside of you, activates the gifts He has bestowed upon you for others. God is so Good. Remember we aren’t stopping, we are advancing; moving forward. More, more, more and more.

As Dr. Savelle’s last mandate included telling us to advance, progress, and we will see promotions of the highest expectations being fulfilled. Know that isn’t just personal, of course it will be personal. But what about you helping to be the ones who are advancing others, progressing others, promoting others? You may be the one who encourages and encounters others to step into the place of destiny where their highest expectations will be fulfilled. Where are the light bearers for others? You have the light and are a guiding light for others.

Matthew 5:16 NIV – In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

When it’s continually about others, God will continually open up many new doors for your life.

Sometimes we are saying, ‘let it happen for me, let it happen for me’, but when we are making it happen for others, many will be set free. Freedom comes from the Word of God. Let The Word and that freedom flow freely from you.

Actions of love is what we do. Yes, we must continue to seek Him, and His word and His ways. Life will come to you through His words that you continually impart into your heart.

John 6:63 – “...The words that I have speak unto you, they are spirit, and they are life.”

But when you release those words to others, you will experience the Word at another level.

In Dr. Savelle’s last message before entering heaven, he mentioned at least three to four times about “another level.” God is taking those who want to go to another level. Keep those prophetic words in your mouth and protecting your heart. Meditate on them, proclaiming them and you will see higher levels.

Ginger and I love you and pray for you and continue to declare over you that this mandate, our COL Vision, will continue to advance and progress among us.

We have a passion for God and a passion for souls.
Every member a soulwinner; every member a seedsower.

P.S.

We'll have our **ZOOM** meeting, **Monday, July 8th**. Then, the **first of August** is our **COL Outreach** during the **Sturgis Bike Rally in the Black Hills of South Dakota**. Please let us know if you plan to attend so we can properly prepare. If you can't go, then sow. And definitely be in prayer for an abundant harvest in Jesus' Name!
