

Chariots of Light Monthly Message

Hello Chariots & Friends,

Our hope is this is the greatest time for you to experience new life. I am reminded of when the Lord spoke to me about the HAND of GOD and how it has changed our lives. Never forget the things God has spoken to you and how He has orchestrated your lives around those words. Be thankful. They are LIFE!

Jeremiah 1:5-10 TPT “Before I shaped you in the womb, I knew you intimately. I had divine plans for you before I gave you life, and I set you apart and chose you to be mine. You are my prophetic gift to the nations.” I replied: “But Lord Yahweh, I don’t know how to speak in public. Besides, I’m too young.” But Yahweh interrupted me: “Do not use your youth as an excuse, for you will go wherever I send you, and you will speak whatever I tell you to say. Fear nothing when you confront the people, for I am with you, and I will protect you. I, Yahweh, have spoken.” Then Yahweh reached out with his hand and touched my mouth and said to me: “Now I have put my words in your mouth. See! Today I have imparted to you great authority over nations and governments, to uproot and demolish, to destroy and dismantle. And you will plant and build something new.”

God’s hand is upon you today for the greater things He has prepared for you to manifest in your lives. Everything is greater! As you know we just returned from HARVEST Daytona, where the teams that the Lord assembled were amazing. Thank you all who participated, sowed, and prayed with us for this amazing time.

We meditated on the greater and the words spoken to us. Know this: obeying the Holy Spirit is always the catalyst for your success. We put together the prayer of petition for the year and was obedient to go where He said to go, and do what He said to do. Obedience orchestrated ‘the greater’ manifesting!

When I asked The Lord, “is it greater than last year?” He said, “it is greater than you’ve ever experienced before in Daytona.”

We must make room for these words in our life. He is always wanting to expand our territories; therefore, our goals and expectations should be higher and greater than ever before. They should not be a one-time event, but a continuation of what He is wanting to do in your life.

I knew that to have a greater harvest you must have greater laborers. The most people we had ever led to the Lord in Daytona was 8087 and that is amazing. Glory to God! This year with our team and churches that were involved, we witnessed 8520 decisions for Christ. Hallelujah!

A total of 14,081 people ministered to, 382 healings, 176 filled with the Holy Spirit and we ministered to 61 nations. All glory to God! This was amazing and the greatest outreach in Daytona we have ever experienced to date. God is awesome and we give Him ALL the glory and praise!

Dr. Savelle gave us his words every year to propel us for the greater works that God has for us. He would also ask the Lord to confirm those words in his heart first as he shared them. Well, we experienced GREATER as God performed His Word with signs following among us.

I believe as you meditate on the things God has spoken to your heart, you will continue going to a higher level in your life and in your ministry. You will see greater and greater results. I also believe it is the time of the greater glory; a time of seeing God manifest himself through you with greater manifestations of healing and miracles. It is a time of greater unprecedented favor. As we can fondly remember the many times that Dr. Savelle revealed this to us about God's favor, now, more than ever I want you to meditate on it being greater and unprecedented.

One thing that God has an abundance for us is His grace and His mercy. Thank You, Lord! It is time for us to depend upon Him greater than ever before. He has an abundant supply for us all. Let's not take any of these powerful words He gives us for granted. They are the essence of new life and new beginnings for us. His words will always propel you to higher ways of thinking; so let's not settle for anything less.

Our website has updated information for COL Events, and we welcome you to join us for our first tour of the year coming up May 18-21 in Tennessee. It is going to be a great time for fellowship connections, riding in the beautiful Tennessee mountains and to receive a word from Him. Please come and join us as we continue the legacy we have been given by Dr. Savelle. Passion for God, passion for souls and passion for motorcycles; using our toys as tools for evangelism!

Go ahead and make your plans to attend our tours, outreaches and rallies this year. We are believing to go beyond anything we have ever experienced before, far greater to experience Him in a greater way every day of our lives. Set your goals way beyond what you can achieve on your own, and God will send you the resources, and He will be the source to accomplish the greater things in your life.

We're believing it with you – together – GREATER works shall we do! We love you!

P.S.

We'll have our next **ZOOM meeting, Monday, April 14th**. It's so easy to join with us. Plan to get together and share LIVE with us online soon.
