

Chariots of Light Monthly Message

Hello Chariots & Friends,

It's been an awesome year so far. We just finished up our first COL tour of the year in TENNESSEE and what a 'greater' time we had!

Chariots came from 7 states to ride in the beautiful Great Smoky Mountains, Foothills Parkway, Cherokee National Forest, Cherohala Skyway, Cades Cove Loop and more. We even saw black bears (in the wild) along the loop. A shout out to Pastors Jeff and Farrah Coleman and their team for their hospitality and helping with rides and the planning of the tour. We are grateful for our new area in Maryville, Tennessee and can already see the excitement of this group being a part of this awesome outreach ministry! Other Chariots that came were from North Carolina, Kentucky, Texas, Utah, Virginia, and one newcomer from Georgia. Church services together were anointed and we sensed the presence of God among us as His blessing is experienced where there's unity.

Although we had some challenges with weather before the tour, our riding days and fellowship together were awesome with great weather. What a special privilege it was that we had one of Dr. Savelle's motorcycles, the teal and white Indian Vintage, on the tour to honor and represent him. We're honored to carry on our part of his legacy through Chariots of Light. So many people talked about the camaraderie and fellowship and family atmosphere that we all feel and experience. Thank you, Mrs. Savelle, for continuing the passion for Chariots of Light. We know Dr. Savelle loved Chariots and what it meant to him. We continue to see what COL produces for GOD'S KINGDOM.

The word we are continuing to meditate on is 'greater.' We're taking all those wonderful words through the years from Dr. Savelle and the words from heaven, to continually take us to another level. Yes, we will continue to advance, progress, and experience promotion!

I believe we are living in the time of the greater increase of the greater glory.

You will experience more of a tangible presence, a touch of his power, and the goodness of His loving favor. Let's believe for it!

John 14:12 KJV Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

The greater works He said we will do; He will do through us.

There will be more and more manifestations of healings and great miracles. It is a time that unprecedented and greater favor will overtake us.

As we continue to abide, we will thrive and many, many more will come alive.

Greater means more than ever before, more intense.

It's not a time to let up. It's time to get up.

It's time to take advantage of this time and opportunity we have before us.

Everything has increased in the spirit realm.

It's time of the great increase and a time of the great release, for captives to be set free. God is releasing more and more to those that will follow Him.

Greater defined signifies a higher position; authority. It also means a greater importance for the success of the working of the kingdom.

Greater often refers to God's supremacy over creation, Jesus' preeminence, and the value of the kingdom of heaven. It also highlights for His followers and believers to do greater works through faith.

I John 4:4 TPT Little children, you can be certain that you belong to God and have conquered them, for the One who is living in you is far greater than the one who is in the world.

You were created for His greater glory, with greater power, with a greater presence, and with a greater unprecedented favor flowing into you and from you.

You must have a greater expectancy in your heart for the things GOD has spoken. You must believe greatly in what you are expecting.

The greater simply means: larger, stronger, magnificent, splendid, majestic, mega, and mighty.

ACTS 4-33 TPT The apostles gave powerful testimonies about the resurrection of the Lord Jesus, and great measures of grace rested upon them all.

Your testimonies and sharing GOD'S acts of grace on your life will continue to bring more glory to HIM. The sharing of what God has already done will also increase hope and faith to what he's getting ready to do! In other words if He's done it before, we can expect that He can do it again and again and again.

In this scripture in Acts 4, it also states that his grace rested upon them all.

All means everyone and everything. It means everyone. Who's going to be a part of this greater glory? Everyone can be included and everything can be greater and in abundance with Him.

With all of Dr. Savelle's great messages through the years, his greatest message was 'favor'. It was where his greatest anointing rested, and now it rests upon us all to arrest other people to the same revelation at what God is speaking in this specific time.

Dr. Savelle called it being blessed and highly favored! And because of this one man's mandate, he has helped many of us to walk in a greater favor.

He also called it 'increase by association'. Now is the time for the greater works to be manifest. We have become favored with many flavors. We are the sons and daughters of God and we're all His favorite people.

Greater also means unprecedented. The word unprecedented means: never done or known before; unparalleled; completely new and unique; unmatched; for the first time. In other words, you may have seen God's favor in the past, but you need to get ready. You haven't seen anything yet! Glory to God!

One thing the Lord really brought out during our recent services was this: the greater the joy, the greater the glory. Greater joy, greater glory!

Dr. Savelle's Joy package has just been re-introduced to the body of Christ. If Satan Can't Steal Your Joy, He Can't Keep Your Goods book, hat, mug, and bookmark package. I don't believe it's a coincidence. I believe this joy is a key factor to operating in the greater glory that God has for us. Greater joy, greater power, greater glory!

Nehemiah 8:10 AMPC Then [Ezra] told them, Go your way, eat the fat, drink the sweet drink, and send portions to him for whom nothing is prepared; for this day is holy to our Lord. And be not grieved and depressed, for the joy of the Lord is your strength and stronghold.

The last part of this scripture states for this day is holy to our Lord. And be not grieved and depressed, for the joy of the Lord is your strength and strong hold.

What are you believing for in your life to be greater this year?
How about everything? How about all things?

Don't ever let God's Word be singular in your life. It is far greater than one thing, it has many definitions. It's multi-faceted. It's always increasing. It's inexhaustible.

When the Lord spoke the word 'greater' to me, I asked him to confirm it. I asked, "will it be greater than last year"? And He said, "no, it can be greater than any year you've ever experienced before".

So we put together a prayer of petition for what we're believing for. God honors His Word, and when you petition Him through His Word, He will honor that petition because He hastens to perform His Word. (Jeremiah 1:12) It never returns void. (Isaiah 55:11) So one of our prayers was for greater results this year. We have to have greater laborers and again He confirmed His word with signs following. His signs follow His people, so the more skillful laborers we have the more wonderful signs and wonders we will experience.

God confirms His words through those who believe His words and those who decree His words because they believe them. (Mark 11:23-24) So in March this year at Daytona, we experienced more glory, more salvations, more healings, more miracles than any other year we have ever experienced before there. I would consider that greater, unprecedented favor. God confirmed His Word to us. (John 14:12).

It's been 10 years since the 75th rally when we exceeded far more than we've ever exceeded before with 9200 people coming to the Lord at that one event. It was phenomenal. It was amazing. We're still talking about it today. We've not yet surpassed that mark, that God moment, but if God told us that it was the "greater and it will be greater than we've experienced before". I believe Him. Do you?

What is your part in the 'greater'?

We have a certain time and certain moments when people assemble at some of the greatest events on earth to create some of the greatest events for heaven!

If everything has increased, then why should we cease? It's time for the greater glory to be manifest in the earth. It's not coming. It's not beginning. We're right in the middle of it.

Recently, I went back and listened again to Dr. Savelle's last message. He spoke this:

"God is doing some great things throughout the earth and we're right in the middle of it."

It's important for us to finish the job; finish the mandate we have been given. I would like to encourage you to be making big plans for the greater things.

Ask the Lord what your part is. We would love for everyone who can to come to our next big COL Outreach during the STURGIS Black Hills rally this year. Let's do this for His Kingdom. It IS at hand! We are His Chariots and we will ride for His glory, the greater glory is here!

Let us all be a part of this wonderful story!

The greater the joy, the greater the glory!

We love and appreciate each one of you and hope you'll make plans to be with us and to attend the greater glory days in the Black Hills of South Dakota. We will begin Thursday, July 31st and end Saturday night, August 9th. It will be the greatest 10 days of your life, because you helped to change someone else's life. And we get to do it together.

It's what we do; It's what we do.

We love you,
