

Chariots of Light Monthly Message

Hello Chariots & Friends,

Even as you're receiving this monthly message, we are already preparing to head to the Black Hills of South Dakota for the 85th Annual Sturgis Motorcycle Rally. We are believing God for the greatest outpouring, the greatest results we have ever experienced there before.

In 2015, it was the 75th anniversary and I remember having a conversation with Dr. Savelle at our leadership meeting in Texas, months before the rally. I was telling him that it would be the 75th anniversary and mentioned how awesome it would be to win 7500 people to Christ. He immediately stood up in that meeting and said, "Bill said next year was going to be the 75 year anniversary in Sturgis and we're going to win 7500 people to Christ!"

I'll be honest with you, I was super excited but also, I thought, "what have I said?" We had never even come close to 7500 people receiving Christ in one outreach. Our results, the fruit of our labor, were beginning to improve and increase, but the most we had ever led to the Lord at that time was around 3200 people in a single outreach.

So I went before the Lord, and I did what I knew to do. I asked God for help. I remembered Dr. Savelle's teaching on the prayer of petition from I John 5:15.

I John 5:14-15 (KJV) - And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us: And if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him.

We immediately started putting together a prayer of petition for that outreach to include what we needed and what we were believing for, based upon His Word. We petitioned the Lord for 7500 people to come to Christ.

We called for the laborers. And I believe we had 45 people in 2015 that came to help us with the harvest. Chariots came at various times (most did not stay for the entire time of the rally). In the natural, it didn't look like we were going to achieve our goal, but God! He heard our prayer and with five days left to go, there was an anointing that came on our group. For the first time, our team led over 1000 people to the Lord in a day. We continued day after day and saw 1100 people the next day, then 1200 people the next. God gave the increase as we went to share the Gospel! By the end of the rally with the anointing on our team, we experienced His glory.

We ministered to over 12,000 people and over 9200 people made a decision for Jesus Christ! Hallelujah! All Glory to God! God honored His Word and the prayers, and He sent His people to help accomplish the heavenly goals.

I call it a “moed” moment. In Hebrew, Moed (מוֹעֵד) translates to "appointed time" or "festival". These "appointed times" are more than just dates on a calendar; they are opportunities for communal worship, reflection, and connection with God. When God's words, His people and their prayers came together; we became His presenters and His doers. And God heard our cry and honored His Word. That was 10 years ago.

Dr. Savelle's last words from the Lord before being promoted to heaven, were “progressing, advancing, experiencing promotion, and seeing your highest expectations fulfilled.” The criteria for us was to stay in faith, stay focused on The Word, and don't let anything distract you. Those words will ring in our hearts forever.

God's Words are always eternal, always inexhaustible. His Words are always to propel us, to accelerate us, to advance us to a greater place in Him. His Words will continue to multiply for the greater. ‘Greater.’ That's the word the Lord has spoken to me and that it was time for the greater. Time for what we were created for. Jesus said you will not only do the works that I do but greater works you shall do.

John 14:12, Jesus tells his disciples, "Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father."

To experience the greater, you have to be a goer and an explorer of faith to go into new levels and new territories you've never been to or seen before.

I asked the Lord, “so is it greater than last year?” He said, “No, it will be greater than any year you're ever experienced there before.” Hallelujah. Hallelujah. Hallelujah. Hallelujah!

So immediately, a prayer of petition seemed important again. And now, we have a prayer of petition for this year's COL Outreaches. The laborers, finances, and resources to manifest in GREATER abundance. The prayer of petition is attached to declare and believe with us for the fulfillment of His Word! We have petitioned the Father, believing for greater results. We will have GREATER insight, revelation and wisdom and we will experience GREATER victories and walk in GREATER manifestations of God's glory and favor!

We know that God can do anything, far more, (GREATER), than we could ever imagine or guess or request in our wildest dreams! (Ephesians 3:20 MSG)

We're calling in greater laborers, those whose skill is knowing JESUS. Petitioning for more laborers, and those who want His mighty touch. As part of our petition declares ...

Matthew 9:38 (AMPC) – So pray to the Lord of the harvest to force out and thrust laborers into His harvest.

And so now, we are petitioning you; we are encouraging you to be a part of this. This will be the greater time that God has given to us.

The story of 2015 will always be wonderful and a powerful testimony of what God can do with willing and unified vessels. It will always be great of the 9200 people that came to the Lord, but I just don't want to tell people about what happened 10 years ago. I believe this year will be greater than any year we've ever experienced before. We're believing for over 10,000 people to come to Jesus Christ in this year's Sturgis (Black Hills) rally, which begins July 31st and runs through August 9th.

I'm sending forth a plea – asking you to come and to be a part of the greatest time to date that we've ever experienced before. The Lord has provided two separate locations this year for our ministry to go to a greater level. We will send teams (ministers of reconciliation) all around the Black Hills each and every day. Our God-given goals will be achieved when we have a people of faith who are determined to fulfill them. The 85th is a substantial number for this motorcycle event, so lots of people will come to assemble there from all over the world.

The Lord reminded me on the day of Pentecost when the Holy Spirit fell, He fell on each of them.

Acts 2:1-8 (KJV) – 1 And when the day of Pentecost was fully come, they were all with one accord in one place. 2 And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting. 3 And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. 4 And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance. 5 And there were dwelling at Jerusalem Jews, devout men, out of every nation under heaven. 6 Now when this was noised abroad, the multitude came together, and were confounded, because that every man heard them speak in his own language. 7 And they were all amazed and marvelled, saying one to another, Behold, are not all these which speak Galilaeans? 8 And how hear we every man in our own tongue, wherein we were born?

All the people around heard this language and heard people speaking in their own languages. There were people assembled there from different areas around the world and different languages were represented, but the one language of power was present to capture their hearts and to save their lives. It was the language of the greatest love of all. Jesus Christ had met them through the Holy Spirit manifested upon His people. There were so many who came to the Lord.

Acts 2: 41 (KJV) – Then they that gladly received his word were baptized: and the same day there were added unto them about three thousand souls.

I'm compelling you to come. All we have to do is to assemble with our team of glory and to go and tell them the Good News. He will come rest upon us, visit with us to fulfill His Word. We believe for an Acts encounter for us all. Contact us now so we can help find room for you. Don't just be a hearer or a spectator, be a participator. You have a date with destiny with many, many people. When your life has changed, let it be for the purpose of helping to change others. I pray now that God is speaking to you and is sending you out to accomplish the greater works He has for us. Jesus was the greatest and now we all have become greater for Him because of Him.

We only have a certain amount of time for this harvest. This is the greater harvest. And God will be The Greater One manifesting His love in the streets and hills of the Black Hills – through you.

Come on, Let's GO and SHINE for Jesus!

We love you, appreciate you, and hope to see you soon!

P.S.

We'll have our next **ZOOM meeting, Monday, July 14th**. Plan to get together and share with us LIVE online. You can even join in from your mobile device. Also, if you can't GO, then consider sowing for this mighty harvest!
