

Chariots of Light Monthly Message

Hello Chariots & Friends,

What a privilege it is to be writing to you the things that God has been doing through Chariots of Light. God is confirming His calling and mission for this ministry. The fruit of lives touched and changed for eternity is abounding and we give God all the glory! And we're continuing to see new members and new areas starting for Chariots of Light. What an amazing time we live in and what a privilege we have to walk and "ride" in all the things that God has for us to do.

So let me say, 'Thank you!' Each individual commitment to this vision causes us all to go to another level. And if you are a Chariots' leader, 'Thank you.' I want to encourage you to continue having your monthly meetings and making your plans together. (And be sure to send us your reports.) As we all do this, staying committed to the vision, we will continue to abound in what we have been given. Growth takes place as we continue in the vision that God has given. We can't give up; we can't give out. We have to be determined to continue, and stay committed, strong in faith. As Dr. Savelle might say, "We're not quitters! And this is the victory that overcomes the world, even our faith!" (1 John 5:4)

Being determined is to be extremely motivated and unlikely to quit or change your mind. Determined people are so committed to their path of achieving a goal that they're always resilient in the face of obstacles.

1 Corinthians 2:1-5 (TPT) My brothers and sisters, when I first came to proclaim to you the secrets of God, I refused to come as an expert, trying to impress you with my eloquent speech and lofty wisdom. For while I was with you I was determined to be consumed with one topic-Jesus, the crucified Messiah. I stood before you feeling inadequate, filled with reverence, for God, and trembling under the sense of the importance of my words. The message I preached and how I preached it was not an attempt to sway you with persuasive arguments but to prove to you the almighty power of God's Holy Spirit. For God intended that your faith not be established on man's wisdom but by trusting in his almighty power.

We have to be determined to do what is required for us to do as leaders in the body of Christ, and that includes the Chariots of Light. It is when we all are doing the work the Word commissions us to do in obedience to Holy Spirit that brings success in all that we do together as a ministry. Chariots is not just a season for riding. The bonus is that every day is the season for the harvest. It's the ride of our lives to see others' lives impacted forever.

John 4:34–36 (TPT) To clarify, Jesus spoke up and said, “My food is to do the will of him who sent me and bring it to completion.” As the crowds emerged from the village, Jesus said to his disciples, “Why would you say, ‘The harvest is another four months away’? Look at all the people coming—now is harvest time! Their hearts are like vast fields of ripened grain—ready for a harvest. Everyone who reaps these souls for eternal life will receive a reward. Both those who plant spiritual seeds and those who reap the spiritual harvest will celebrate together with great joy!

Well, Jesus said it, “Now is harvest time!” A big THANK YOU to our team that came to STURGIS’ 85th Rally in the Black Hills, as well as all those who sowed towards the finances for this harvest. It was truly an awesome time, a time when we passed many goals and many marks. The Holy Spirit has continued to show us what He is doing and the things He wants to do through us. We’re so thankful for all of you who go, who sow, and who are a part of this harvest of souls for the kingdom.

Our glory team ministered to over 14,000 people during the nine days of this COL Outreach! The most people that have ever been ministered to by the Chariots of Light at a single event. Glory to God! 8095 people made a decision for Jesus Christ, which was double the results we had from last year. Hallelujah! 933 people were filled with the Holy Spirit, again, the most we’ve ever had at an outreach to date. And 370 healings. ALL Glory to our Mighty God! We ministered the gospel to 70 nations, again, the most nations we have ever reached in any outreach at any event thus far. Do you see what God is doing? Chariots of Light are so blessed to be used of The Lord.

Psalms 118:23 (AMPC) This is from the Lord and is His doing; it is marvelous in our eyes.

Quite a few circumstances came against different ones and tried to stop the harvest. There were only 6 people that stayed for the outreach the entire time, people who had planned to come that didn’t, people that had to leave earlier than originally planned, and 3–4 hours travel time to get to the venues to minister. But we were determined! This is miraculous and amazing that God blessed us to minister and touch this many people. To witness over 14,000 being touched by the hand of God! Praise The Lord! I believe the fruit of the harvest demonstrates and shows the anointing of God on our team and the determination of our team – who they are and what they do. You all are so amazing, and we are grateful to God for you!

Philippians 1:3–6 (MSG) Every time you cross my mind, I break out in exclamations of thanks to God. Each exclamation is a trigger to prayer. I find myself praying for you with a glad heart. I am so pleased that you have continued on in this with us, believing and proclaiming God’s Message, from the day you heard it right up to the present. There has never been the slightest doubt in my mind that the God who started this great work in you would keep at it and bring it to a flourishing finish on the very day Christ Jesus appears.

We’re so honored and privileged to be part of such a mighty, awesome, and anointed team in God’s will and His timing for Chariots of Light and for His Kingdom on the earth!

We have learned and experienced so much about what it takes for great success and great fruit being produced through people who are fully determined. It is the joining together of our faith. It is the joining together of the WORDS that God gives to us.

Being in agreement is what propels us and takes us into the places of His greater glory. It is submitting ourselves to one another, and to what the Holy Spirit is speaking to us to do so we can have these moments that we have with Him and each other – together!

We call it and have called it: “The Ministry of Jesus”. (It’s what we do.)

When we seek Him and do the things that He has said do, then you will see those things happen in your life and through your life.

Our greatest attribute is to yield to what the Holy Spirit is telling us to do concerning the works of Jesus. The greater we yield to His teachings and His actions, the greater the fulfillment of His works will be manifested in your life.

I definitely believe the greater works is when we’re not only subject to what He said do and what the Holy Spirit is leading us to do, but when we’re yielding and we have that love for one another to accomplish the God-given goals that He has set for us.

One of Dr Savelle’s sayings to us was that ‘when you know a vision is truly from God it will take many people to accomplish it’. So one of my goals is to have many people, many people, coming together so many people can come into His kingdom forever.

What an honor it is to experience these things that the Lord has done all through the years through us all with Chariots of Light! We’re part of an awesome outreach ministry – together. Look at how much we’ve learned through the years and how much we’re continuing to learn to be able to implement in future events for greater fruit. We’re already thinking of next year and things for our future events to improve in every area. We know God will set things up for us as we make those plans to go.

However, the greatest asset that God has given us, is people, you! The greater things will only be accomplished when great people of the kingdom come together. He chose you – He chose us – for the greater. The greater the goals, the greater the commitment. And a greater number of people will be required to achieve those goals.

There are so many things I could tell you what the Lord did during this harvest time in the Black Hills, but the one thing I want to focus on is that every one of these timeless and eternal events are precious to God. We will never recapture them and will never be able to relive them again. That’s why it’s so important that we set aside these times of coming together.

These are some of the greatest mission trips that you could ever go on. We go to where the world assembles at some of the largest events. Over 70 nations in nine days! How many of you have a jet that can go that fast? Glory to God!

These are the greater things that we can experience together. It’s when we all come together to experience a mighty and magnificent harvest for the kingdom. It’s not about names. It’s not about ministries. It’s about the kingdom of heaven and the ministry of Jesus and the greater things He said we would do; He will do through us all who will commit to come.

We love you all very much and thank God for our covenant relationships and partnerships. We are believing with you that your area will grow as you continue to go. That word ‘go’ means a continual action. This is our life; it’s everyday life. The ministry of Jesus is the greatest life.

For September, Ginger and I will head back to Montana, then from there on to the Mackinac Island Tour, beginning in Minnesota, then to Wisconsin, and finally to Michigan. We’ve never had a COL Tour in this Michigan area and we’re expecting big things. As a matter of fact, while in Sturgis, we had new members to join – our first Michigan members. Hallelujah! It’s not too late to join us on this ride. And check the website for more COL events still to come this year.

Also, this month, we’ll be going back to South Africa! Yeah! We have an awesome Chariots group there and love being together with them and seeing how they are allowing the Lord to use them mightily.

So keep us in your prayers – we sure keep you in ours!
And plan to join us if you can at each event throughout the land.

We love you and appreciate you so very much,

P.S.

We’ll have our next **ZOOM meeting, Monday, September 8th**. It’s so easy to join with us. Plan to get together and share LIVE with us online soon.
