

Chariots of Light Monthly Message

CHARIOTS OF LIGHT - PHILIPPIANS 2:15 - "SHINE AS LIGHTS"

Hello Chariots,

At your time of receiving this Monthly Message, we are in the middle of Harvest Daytona at the 85th Daytona Bike Week Rally in Florida and know you are praying for us. Thank you.

With this month's Message, we are releasing our 2026 COL Prayer of Petition. Plan for this prayer to be a part of your monthly meeting and declare it – by yourself and with your group. Pray it out loud and rejoice with us for our Father's will to be accomplished.

What we have successfully experienced is that when you decree the Word continually and constantly, it comes to pass. Dr Savelle ministered this to us and has many great teachings that the prayer of petition will always work on your behalf. Because you are praying according to His will, He hears us.

I John 5:14-15 NKJV Now this is the confidence that we have in Him, that if we ask anything according to His will, he hears us, whatever we ask, we know that we have the petitions the we have asked of Him.

We are petitioning God to honor His Word. At the same time, we are petitioning ourselves with His Word. God's Word will be manifested in the earth and will take us to the greater places God has for us. We must continue to declare the petition of His Word, a heavenly decree. You will see the more you do this for what you're believing for, you will see these things begin to manifest in your life.

Our job is to believe and decree His Word, and it will be manifested as it is heard. We're believing for over 10,000 souls this year in Daytona. Praise God!

Our faith is taking us to greater places - together. We are asking for your assistance, physically, spiritually and financially.

Come and be a part of these moves of God with us at our COL events, as we are moving with Him... we must go. Speak out this prayer of petition on a regular basis. The more it's heard from the Earth, the more it is birthed for the harvest.

Consider sowing a seed into Chariots for this harvest and watch your harvest increase and manifest in a great way.

We are believing God for even greater this year than the greater things he did last year by surpassing so many areas like people being ministered to and healings. We want to go beyond that this year, exceeding, abundantly.

Chariots of Light is an awesome outreach ministry that you're a part of. We believe we'll see new areas, more new members, and a great increase in our ministry together.

Purpose to take the time to reach out to your community, your local area, your home, and let's see the greatest harvest, and the greatest increase of new Chariots this year than we've ever seen before. Thank you for your passion for God within this ministry and the compassion for people. Our future together is appointed, unlimited, and unstoppable.

We love you all. God bless you so much.

Remember to petition in prayer with us on a regular basis that all these words will come to pass this year in a mighty way; God doing abundantly above all we ask or think by His power working within us.
