CHARIOTS OF LIGHT - PHILIPPIANS 2:15 - "SHINE AS LIGHTS"

Hello Chariots of Light Family!

We speak and pray God's blessing over all of you and over your lives. We are grateful, we are thankful, and it's important that we remain faithful.

Our CALIFORNIA TOUR is planned for June 7-14 and we're gearing up for an amazing time together with phenomenal people and beautiful scenic motorcycle riding. Come and join us. After California, (June 30 – July 5), we'll be reaching out at our nation's 250 years celebration in July. It's an opportunity of a lifetime. We will be in D.C. during this time so come on. You will never experience anything like this again in your lifetime. Let's enforce the kingdom with HIS LOVING TOUCH to all those around us.

Being grateful, thankful, and remaining faithful are major keys to God's Kingdom way of life. God has given us a safe faith that has overcome the world and everything in the world. Our faith is to be exercised. It is to be used. It is to increase our life and the life of others.

Gratefulness for what our Father has done through Jesus by overcoming everything; every adversity, even death for us; that His light might shine through us. Gratefulness should be our mindset continually for all the things God has done for us and the people He's put in our lives to bring increase in relationships and partnerships for the furtherance of the kingdom of heaven.

Being continually thankful, and grateful, is how we acknowledge what God has already done for us. We are grateful for what He has done, but we are thankful for the things He continues to do in us and through us and for all those around us.

I just wanted to encourage you with these words today. No matter what you're going through, no matter what your challenges may be, God is faithful. He has filled you with His faith. What you do with your faith determines your fate.

When Ginger and I became a part of Chariots of Light, we joined for that fun and fellowship, and that friendship (camaraderie) to have with like-minded believers. And to enjoy our relationship with The Lord and the toys (motorcycles) He had blessed us with.

When God spoke to Dr. Savelle about Chariots of Light, He said “take what was once your toy and turn it into a tool for evangelism.”

I can see now that a part of our personal call to Chariots of Light was to help us transition into taking the toy and turning it into a tool for the Kingdom. Usually when someone talks about a tool, you have to learn how to work it. We found out that some people don't even like tools. They prefer other people to use them. LOL

But when God gives us a tool, there are instructions included. We have continued to listen to our instructor, Holy Spirit, and to apply the things He has given us. Teaching and training us to be more successful for reaching people. Sharing Jesus effectively and through the hand of God, The Lord has given us Holy Spirit formulas to success and to continue to increase in reaching more for His Kingdom.

Your opportunity is your time. Every day we have been given life. Where you have life then you can give life! You take what you have learned and apply what you have been taught so that your life will be a continual light for the glory of God!

You are a carrier of light!

Philippians 2:15 AMPC - ¹⁵ “That you may show yourselves to be blameless and guileless, innocent and uncontaminated, children of God without blemish (faultless, unrebukable) in the midst of a crooked and wicked generation [spiritually perverted and perverse], among whom you are seen as bright lights (stars or beacons shining out clearly) in the [dark] world.”

Keep on sharing Jesus and your anointing will continue to grow. There will be new experiences every day in life as you go. Please remember to have your monthly meetings/rides and to send in your encounters to us. If you have an encounter with God, let Him shine through you with an encounter with someone else! He's counting on you to share His love to those around you. Time is your talent so use your tool of faith and love that comes from above! Wherever you are, continue to share God's goodness and His love wherever you go. The anointing of God is the presence of God and is to be shared and not withheld!

We are so grateful and thankful, and we appreciate you're being a part of this unique end-time ministry that God has started through Dr. Jerry Savelle, JSMI - the Chariots of Light!! It's up to us to carry on this good fight!! The good fight is the one that you always win, winning people for Him is what we do. #It's what we do.

Continue praying together with us our COL Prayer of Petition and know we are expecting a huge harvest everywhere we go as we experience God's love in a greater dimension; a greater influence for God's kingdom to be advanced and manifestations of Holy Spirit as we demonstrate a GREATER LOVE to each other as well as those we minister to.

God bless you. We love you and hope to see you soon.

2026 - WE ARE BUILT TO LAST!
