

Chariots of Light Monthly Message

CHARIOTS OF LIGHT - PHILIPPIANS 2:15 – “SHINE AS LIGHTS”

Hello Everyone!

We just returned from a month on the road in the Black Hills of South Dakota during the 86th annual STURGIS Motorcycle Rally, followed by our COL Tour in the great state of Wyoming and its magnificent mountains and rides including Holy Ghost services in Sheridan, Thermopolis, Riverton, and Rock Springs, as well as encounters along the way.

The purpose of our COL Tours continues to be centered on carrying the message and mission of Chariots of Light to the Church. Through these tours, we have the opportunity to reach new people, welcome the next generation of members, and continue building upon the legacy that Dr. Savelle founded through COL.

Just as importantly, our tours strengthen the camaraderie and fellowship that make Chariots of Light so special. As we ride, serve, and minister together, our bonds grow stronger than ever.

We have a passion for God, a passion for souls, and a passion for motorcycles—and God has given us the motorcycle as a vehicle to carry that passion into communities and churches everywhere. We GO!

We’re “Built to Last,” and that means we continue building! We’re excited to announce that this past month welcomed new members into the Chariots family, and we’re believing for even more to come.

Now is the time to be part of what’s being built. Engage with us, connect with your local areas and teams, and help us continue promoting the legacy of Chariots—a legacy that is built to endure and continue for generations to come.

Let’s keep building. Let’s keep growing. Let’s keep the legacy moving forward!

As you know our COL Outreaches are a vital part of the vision and mission of Chariots of Light. We take the Gospel beyond the church walls, reach people where they are, and continue the legacy of reaching souls for Jesus Christ.

A heartfelt THANK YOU to everyone who came and participated, as well as everyone who sowed into our COL Outreach in the Black Hills of South Dakota. Your prayers, participation, and generosity helped make this outreach possible and successful! Over the course of nine days, our team ministered to 12,057 people, with 7,342 making a decision for the Lord Jesus Christ! Hallelujah! We also witnessed many healings and many people

filled with the Holy Spirit and we ministered to 55 nations as well as 4 first nations. ALL glory to God!

Over the past 15 years our team has ministered to over 128,000 people in South Dakota, with 79,000 people making a decision for Christ. It's totally amazing what God can do through a group of people who are committed for the fulfillment of God's commission to restoration. When you break this timeframe down, it's only a period of four months, 135 days. Again, I want to thank everyone. Some use their vacation time from work to come and be a part of the team that gives glory to God. I pray that each one of you will be financially and spiritually rewarded 100-fold for all your time and effort.

The camp we used this year was truly a cut above anything we had experienced before. The accommodations were exceptional, with every room having its own private facilities, including a shower and restroom. Its location was also a tremendous blessing, being much closer to Rapid City and the rally's main venues. Being closer allowed us to spend less time traveling and more time together, serving and ministering.

This year, the Lord put it on my heart for us to ride together and stay together as we traveled to each town and venue. What a difference it made!

There was a greater sense of unity among our team, and that unity created a greater impact everywhere we went. As we rode together, ministered together, and stood together, we saw the anointing grow stronger and the ministry reach further.

There is something powerful when we move together in one accord. Our time in the Black Hills reminded us that unity strengthens the team, strengthens the ministry, and ultimately strengthens our impact for the Kingdom of God.

As we plan for next year, we hope for greater participation to have Chariots come from every area from around the globe. So go ahead and start making your plans to attend now for 2027. Yes, put it on your calendar. Rally dates are August 6-15 and we'll post on the website our dates for Chariots to be there in the Black Hills.

The word the Lord gave me for this outreach was 'manifestations of His light and love'; taking us to a new level of consecration.

I believe with all my heart we are in the middle of the greatest outpouring of the glory of God, pouring out His glory upon His people in these last days. We must continually be changed to change others' lives every day of our life. God is doing a great work and a quick work throughout the world as never before.

It's important to realize the time we are in. We must be focused on the harvest. I'm reminded of Dr. Savelle's last words for 2024. He said it is a time of progressing, a time of advancing, a time of promotion and you will see your highest expectations fulfilled. Our job is to stay in faith, stay focused, and don't let anything distract you.

The Lord reminded me about John the Baptist and why Jesus said he was the greatest preacher. As I pondered this, my thoughts were that it wasn't because of who he was, it wasn't because of how he dressed, and it wasn't because of where he lived. It was because he realized the time that he was created for... and he lived in it. He knew that our lives were changing forever because the kingdom of God had arrived.

We must take advantage of the time we've been given while we're here on the Earth and what Jesus has commissioned us to do. If you look around, the world is getting darker and darker and things are getting worse and now is the time to look up for God is pouring out His glory and His anointing like never before upon His people. He said he would pour out his glory upon us.

Acts 2:17-21 NLT

“In the last days,’ God says, ‘I will pour out my Spirit upon all people. Your sons and daughters will prophesy. Your young men will see visions, and your old men will dream dreams. In those days I will pour out my Spirit even on my servants—men and women alike— and they will prophesy. And I will cause wonders in the heavens above and signs on the earth below— blood and fire and clouds of smoke. The sun will become dark, and the moon will turn blood red before that great and glorious day of the Lord arrives. But everyone who calls on the name of the Lord will be saved.’”

I believe God is manifesting His glory, His light, and His love like never before. We know that His glory is revealed through His presence, His power, and His goodness. When we consecrate ourselves to Him and earnestly desire a greater measure of His presence—when we desire His presence above all else—something powerful happens. His presence is His glory, and within His presence is His power. His presence releases His power to bring hope, healing, restoration, and goodness wherever we go. When we carry His presence, we carry His love and His light into every place He leads us.

The anointing upon our lives is not simply for us—it is to transform us so that we can impact and transform others. Wherever we go, we have the opportunity to make a difference, touch a life, and demonstrate the goodness of God. His presence changes us. His power works through us. His love reaches others through us. May we continually pursue His presence above everything else and allow His glory to shine through us everywhere we go.

Luke 4:18-19 TPT

“The Spirit of the Lord is upon me, and he has anointed me to be hope for the poor, healing for the brokenhearted, and new eyes for the blind, and to preach to prisoners, ‘You are set free!’ I have come to share the message of Jubilee, for the time of God’s great acceptance has begun.”

It is the time of freedom. The church must go into the world and set people free to let people know how much God loves them and wants to be a part of their life. It is time for the church to introduce people to Jesus. This is what we do. This is what we do by going into the world. I challenge you to make this a part of your everyday life.

Don't just *live* the life of Christ but *give* the life of Christ to someone else. This is our commission. This is the greater works. There is no greater work than to take the love you've been given and give it to someone else.

Thank you for being a part of this unique end-time ministry.

Thank you for having your monthly meetings and making plans to reach the lost at every cost. We look forward to getting your reports and your glory stories of how God used you to touch someone's life and to increase the population of heaven.

EVERY DAY IS AN EVENT.

MAKE IT SPECIAL BY TELLING PEOPLE HOW SPECIAL THEY ARE AND HOW MUCH GOD LOVES THEM.

LEADING PEOPLE TO JESUS IS THE GREATEST THING YOU'LL EVER DO.

Together, we will continue this awesome outreach ministry, reaching souls, building relationships, welcoming the next generation, and carrying the legacy of Chariots of Light forward for years to come. We love you so much!
