Chariots of Light Monthly Message

CHARIOTS OF LIGHT – PHILIPPIANS 2:15 – "SHINE AS LIGHTS"

Greetings everyone!

We trust you all are well. I know God is using you for His glory. His manifested presence, His manifested power and His manifested goodness!

We just wrapped up two back-to-back Outreaches—Harvest Vegas in Nevada and Biketoberfest in Daytona Beach, Florida! Each event spanned three incredible days, and it's amazing to see what our teams accomplished through their dedication and faithfulness. Together, across both Outreaches, the Gospel was shared with more than 11,000 people! What an incredible testimony of God's work through His people. All glory and honor to God!

We're excited to announce that as of October 17th, we have reached our goal of over one million people being ministered the gospel of Jesus Christ through Chariots of Light! Hallelujah!! All GLORY TO GOD! And this year to date we have already superseded the best year on record for people ministered to and first-time salvations, and we still have two more months to go. Hallelujah! See what God is doing?

THANK YOU so much for being part of this awesome outreach ministry and for sharing the love of Jesus with others! My heartfelt gratitude goes out to each and every person who has come to serve at our Outreaches, pouring out your lives to reach, love, and minister to others. I also want to thank those who continue to seek a daily encounter with God and faithfully carry the vision of Chariots of Light forward. Together, we are living out our calling with a passion for God and a passion for souls! Thank you for your faithfulness, your sacrifice, and your heart to see lives changed for eternity. All glory to God!

We are so incredibly grateful for every place God has opened the door for us to go and every opportunity He has given us to reach people with His love and the Gospel! To have reached and touched the lives of over 1 MILLION PEOPLE is truly phenomenal! What began as a vision and a goal we set in 2018 has now become a reality. We are humbled and overwhelmed by what God has done through this ministry and through each of you who has been a part of this journey. We give all the glory to God for allowing us to reach this incredible milestone! And this is just the beginning—there are still so many souls to reach and lives to touch!

Now, we're getting ready for the Lone Star Rally COL Outreach in Galveston, Texas. This is our last outreach of the year. But it doesn't mean that we stop reaching. Every day we should stretch forth the hand of God to touch those all around us. One of the words that the Lord spoke by the spirit in Daytona in October to us was 'visitations, manifestations and demonstrations'! (Eleven years ago in 2015, Dr. Savelle had a word from God about this. But God reminded us again!) We are continuing to meditate and expect this in our lives.

God is wanting that visitation with you, every day seeking Him and praying in the Holy Spirit. This will set your day in every way in everything. Living the spirit-led life requires speaking in the spirit, and He will bring life.

Romans 8:26-28 AMPC "So too the [Holy] Spirit comes to our aid and bears us up in our weakness; for we do not know what prayer to offer nor how to offer it worthily as we ought, but the Spirit Himself goes to meet our supplication and pleads in our behalf with unspeakable yearnings and groanings too deep for utterance. And He Who searches the hearts of men knows what is in the mind of the [Holy] Spirit [what His intent is], because the Spirit intercedes and pleads [before God] in behalf of the saints according to and in harmony with God's will. [Ps. 139:1, 2.] We are assured and know that [God being a partner in their labor] all things work together and are [fitting into a plan] for good to and for those who love God and are called according to [His] design and purpose."

You will see the manifestations of the spirit. When you pray in the Holy Spirit, it enables you to speak by the spirit to other people with the manifested presence of God. You will encounter and see demonstrations of His power and goodness to those whom you speak. A spirit-led life will keep you in the ways and things of God. When your focus is on Him, the Father's will is accomplished. We must keep pursuing the Father's will.

A great evangelist once said: "The church that doesn't seek the lost, has lost itself." So, let's be about the Father's business. We must be about winning souls.

We are experiencing His glory like never before. He said it would continue to become greater, even greater, and greater. His glory is being poured out, this is the latter rain. This is our finest hour and opportunity to let your light shine as never before. You must be a part of this great end time harvest. We must get up and continue to go, go, go. It will continue to increase. It will not stop. These are words I heard Him speak to me. 'It will be even greater and it will not stop.' God will continue doing the greater things He said He would do, but it requires a people who will go and will do. A people of action is what brings the Father satisfaction.

We'll continue to see God's glory, miracles, and healing manifesting in the church and in the streets. Here are a couple of divine encounters we experienced during Vegas and Daytona:

While walking to the bus stop in Las Vegas to minister to others, we encountered a gentleman struggling to walk, with both legs wrapped and suffering from severe, constant pain. He was stopped, leaning up next to a pole, resting. We stopped, shared God's love with him, and prayed for healing. God touched him, and the pain completely left! Amazed, he walked away praising God, pain-free! A security guard who witnessed the miracle came out and said, "I want some of that!" So, we prayed for the guard, too! Praise God for His healing power and for the opportunity to see lives touched right there on the streets of Vegas!

Another divine encounter took place at the Indian shop in Daytona! We struck up a conversation with a young man who shared his love for the Lord but also told us about a serious accident that left him with a metal rod from his knee to his ankle and constant pain from a crushed and shattered ankle. We told him that The Healer was going to touch him that day! As we prayed and commanded the pain to leave, God touched him, and all the pain left his body! What an amazing encounter with the healing power of God. God is so good! All glory to Him!

This is what we live for. Our lives are for us to tell other people who their Savior is and what their Savior does for them and what He has done for them. He has called you all for this purpose. That the Son of God be manifest.

I John 3:8 AMPC "[But] he who commits sin [who practices evildoing] is of the devil [takes his character from the evil one], for the devil has sinned (violated the divine law) from the beginning. The reason the Son of God was made manifest (visible) was to undo (destroy, loosen, and dissolve) the works the devil [has done]."

You must be compelled to do this.

Luke 14:23 KJV "And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled."

I would like to close with a quote from one of our members from California, Jason Gutierrez. Jason is a faithful leader and brother who comes to many of our outreaches. He is always seeking the Lord to learn more from Holy Spirit. Several times I would see him while we were out in the street and I would see his face and how focused he was. I would speak to him and say, "Hey Jason, how's it going?" And he would look at me and smile and keep going and say, 'Keep pushing, keep pushing, keep pushing.'

That touched my heart because that's what it takes for all of us. We have to continue to go. We have to continue to stay focused. Continue to keep pushing to see the glory of God manifested. You don't quit. You don't give up. Keep pushing no matter what and you will see the glory of God manifest right before your eyes. You will have a visitation; you'll have a manifestation; and you will see a demonstration of the Holy Spirit.

We're pressing toward the mark – focusing on eternal things rather than earthly things.

God bless you all. We love you dearly and thank God for you. Hope to see you soon.
